### Motorcycle tour in southern Spain - Touring Center Andalusia

#### Highlights:

The motorcycling paradise of Andalusia with its unique routes along the Mediterranean and the surrounding Sierras.

Ride from San Pedro to Ronda and the conquer El Puerto de las Palomas in the winding Sierra de Grazalema.

The panoramic roads along the Costa del Sol to the Sierra Nevada.

Exciting curves and spectacular views around the mountains of El Torcal and the Carretera de la Cabra road.

The southern side of the Sierra Almijarra and Sierra Tejeda with magnificent views of the Mediterranean Sea.

Motorcycling pleasure at its best in the Montes de Málaga Natural Park.

#### Your winter getaway:

Starting every day from the same hotel at Malaga's coastline, you cross the most beautiful landscapes in sunny southern Spain by motorbike on day trips. Fantastic motorcycling routes and riding conditions await you here. Whether along the winding roads of the Mediterranean Sea to Marbella and Ronda or on unique serpentine roads in the Andalusian Sierras to the White Villages and reservoirs of the Sierra Nevada - maximum riding pleasure is guaranteed!

You decide whether you want to ride alone or together with your guide in a small group with a maximum of 6-8 motorbikes. Your tour hotel on the coast is very comfortable, which makes the Touring Centre an ideal

choice for a relaxing holiday for couples also.

#### Daily stages:

##### Day 1 - Arrival in Málaga

We pick you up at the airport in Málaga and bring you to the tour hotel. In the afternoon, after the handover of your motorbike, a detailed tour briefing takes place followed by a joint dinner where you meet the other riders and get in the mood for your Andalusian adventure.

##### Accommodation: Tourhotel Málaga

##### Day 2 - Beautiful natural parks and the 'El Torcal' mountain range

After picking up your bike in the morning, you ride through the nature parks of Andalusia to El Torcal mountain which is known for its unique karst formations. From here, you take small winding roads into the gorge of the Guadalhorce River, to the small village of El Chorro, and further over deserted valleys full of olive trees into Andalusia, the motorcycling paradise of southern Spain.

Distance: 230 km

Highlight: El Torcal

##### Day 3 - Through the Sierra de las Nieves and into impressive Ronda

Today we head west over the breathtaking mountain roads of the Sierra de las Nieves towards the city of Ronda. Ronda is located beside the Tajo Canyon and can be reached via the impressive "Puente Nuevo" bridge, from 1750. Ronda fascinates with its historical center and countless little streets from the time of the Moors. Over

small roads passing lush fields, you reach Setenil de las Bodegas, a small White Village, also from the Moorish period, which lies spectacularly on the steep slope of a ravine.

Distance: 350 km

Highlights: Serranía de Ronda, Setenil de las Bodegas.

#### Day 4 - Curvy panoramic ride to Comares and Alfarnate

Today you take a beautiful route up to the village of Comares, which also dates back to the Moorish period. Here, a magnificent panorama over the Sierra Almijara and the Mediterranean Sea awaits you. Next, you'll take the serpentine roads of Puerto de Sol to a very traditional lunch stop at one of the oldest inns in Andalusia. Finally, a beautiful winding road takes you to the Casasola reservoir with its red rock walls.

Distance: 235 km

Highlights: Comares and Puerto de Sol

#### Day 5 - Across the mountains of Ronda and Grazalema to Puerto de Las Palomas

In the morning, you take one of the most exciting roads in Andalusia and ride through the Serranía de Ronda towards Sierra de Grazalema. The blue lake, shady cork oak forests, and circling flocks of vultures are your constant companions on the pass road that takes you up to Puerto de Las Palomas and provides you with a fantastic panorama.

Distance: 280 km

Highlights: Sierra de Grazalema, Puerto de las Palomas

#### Day 6 - Pure riding pleasure on the goat track 'La Cabra' and in the Montes de Málaga

This morning you ride along the beautiful coastal road of the Costa Tropical to the Carretera de La Cabra. This old goat track is considered today to be one of the best motorbike routes in Andalusia and offers you endless riding pleasure on countless switchbacks with its grippy asphalt. The road winds its way up the Sierras towards Granada, between rugged stone masses and soft green hills. Before returning to Málaga, your tour concludes in the Montes de Málaga Nature Park, where you will enjoy numerous curves and panoramic views of the Mediterranean Sea and the surrounding mountains.

Distance: 300 km

Highlights: Carretera de La Cabra and Montes de Málaga

#### Day 7 - Departure day

Your bags are packed and, depending on your flight time, our transfer service will be ready to take you to the airport. We say goodbye and hope to see you again soon on one of our other motorbike adventures!

Please note: We reserve the right to make small changes to the tour schedule.
