Are you looking for a challenging Hard Enduro Tour where you can challenge yourself and still get to see a lot? Then this is the perfect trip for you!

One week Enduro trip through Costa Rica

This tour takes you along challenging trails through dynamic mountains, past the Pacific coast, across the Puriscal Mountains and Carara National Park, without leaving the terrain along the way. The package includes 7 overnight stays with half board and 6 guided day tours, allowing you to indulge in Enduro fun. Below you can see what awaits you on which day:

Day 1: Arrival in Santa Ana

This day is for arrival. If desired, you will be picked up at the airport San José and from there you will be brought to your hotel. Here you can get acquainted with your new surroundings and get to know the other participants.

Day 2: Cross-country course

The day starts with the allocation and instruction of your motorcycle, which will be individually adapted to your needs. Afterwards it goes on to a cross-country track with obstacles of every degree of difficulty. Our guide will help you to adapt the enduro perfectly to your needs. Your guide will also give you tips and tricks to help you prepare for the days ahead. In the afternoon we will head towards the Central Valley, where exciting single trails await us.

Day 3: Pacific Coast

After breakfast we ride towards the Pacific coast. Our journey begins in the mountains, takes us through the jungle, which welcomes us with its tropical temperatures, and finally brings us to the paradisiacal, unspoiled beaches of Costa Rica. Enjoy the evening and the picturesque views you will be offered before you spend the night here.

Day 4: Back to San Ana

In the morning we will have an extensive breakfast, after which we will set off towards San Ana. Here you can decide whether you want to take the technically very demanding route, or whether you prefer to ride back relaxed on dirt roads and the like. So everybody gets his money's worth, no matter if you are an Enduro pro or a beginner.

Day 5: Rainforest

The morning starts as usual with an extensive breakfast. After breakfast we ride deep into the jungle of Costa Rica, where exciting single trails and untouched nature await you.

Day 6: Carara National Park

After a rich breakfast, depending on your wishes, we will either ride with the best enduro riders of Costa Rica to the tracks of the last Latin American Championship, or we will spend the day in the Carara National Park, whose clayey soil makes us feel like riding on ice.

Day 7: Puriscal Mountains

The morning starts with an extensive breakfast. After breakfast we ride to the Puriscal Mountains, where not only beautiful views and exciting nature, but also exciting and extremely demanding single trails are waiting for us, which we will conquer today.

Day 8: Santa Ana

This is the day of departure. You can use this day to pack your luggage and check out of the hotel, do last activities in Costa Rica and travel home. If you wish, we will gladly take you to the airport in San José or help you plan your individual extension!
