Day 2 - Along the Costa del Sol to Marbella and Ronda

On the first day of riding, you start your tour with the winding panoramic roads of the Sierra de Ronda and magnificent views over the Mediterranean Sea. First, you ride along the coastal road to Marbella, Mecca of the rich and beautiful, before you head from San Pedro to Ronda in the afternoon, your destination for today's stage. The traditional bullring of Ronda was opened in 1785, the city itself is situated at the 100 meters deep gorge of the Tajo River and is accessed via the imposing "Puente Nuevo" bridge.

Not far from Ronda you will find several smaller mountain ranges, like Sierra Grazalema. Here you can expect magnificent landscapes and roads that are made for your motorbike. Curves, smooth asphalt, and beautiful views of the Strait of Gibraltar and the White Villages of Andalusia are the scenery on your way to the Atlantic Ocean and on to Arcos de la Frontera and Seville, the capital of Andalusia.

the tour schedule.

Day 4 - Discovering Seville

Andalusia's capital is also the region's most fascinating destination. It is hard to escape its unique charm: Seville is elegant, historic, and proud, but also welcoming, friendly and vibrant. The huge cathedral with its famous bell tower, the Giralda, is just one of the many sights you will discover today. The Plaza de España in Seville is one of the most famous squares in Spain, and if you're lucky, you might even get to see flamenco dance and music up close.

Highlights: Walking tour of Seville, Plaza de España, Giralda Cathedral, Alcázar

Day 5 - Through Sierra Morena Natural Park to Cordoba

Our way leads us further into the rugged mountain landscapes and gorges of the Sierra Morena. The fantastic route through this natural park in the north of Andalusia is unique and brings us to today's stage destination Cordoba, which was the capital of the Moorish Empire during its political and cultural heyday.

Destination: Cordoba

Distance / duration: 245 km / 4.5 hrs.

Highlights: Sierra Morena, Medina Azahara, visit the Mesquita (former mosque), the old town of Cordoba.

Day 6 - The Moorish pearl Granada and visit of the Alhambra

Although today we will visit the Alhambra, one of the most important Spanish cultural sites, we will not miss out on the fun of motorcycling. Our route takes us over wonderful mountain passes and through olive groves past poppy fields and reservoirs before we approach Granada over a plateau.

Destination: Granada

Distance / duration: 250 km / 4.5 h

Highlights: Sierra Subbética, Sierra Huétor, Alhambra, Mirador San Nicolas, Gypsy Quarter, Medresa Yusufia.

Day 7 - Across the mountains of the Sierra Nevada to Málaga

Before we return to our starting point in Málaga today, a winding ride through and visit the Sierra Nevada awaits us. It is one of the most important skiing and hiking areas in Spain and attracts ideal conditions on the slopes in winter and perfect motorbike tracks during the rest of the year.

Destination: Málaga

Distance / duration: 260 km / 5 h

Highlights: Sierra Tejeda, Mediterranean coast, Montes de Málaga Natural Park.
