Self-guided motorcycle tour - Romantic Spain

Highlights:

Unique motorcycle tour in one of Europe's last natural paradises, Extremadura, in the heart of Spain. In the historic towns of Zafra, Trujillo, and Plasencia, you will follow in the footsteps of the Latin American conquistadores who came from here.

Maximum riding pleasure awaits you in the mountains of the Sierra Morena and Sierra de Gredos.

The extraordinary flora and fauna of the Monfragüe Natural Park and the Jerte Valley. Here you follow the course of the Vía de la Plata, the old Roman trade route across the Iberian Peninsula.

You will visit the legendary Guadalupe and its monastery, a UNESCO World Heritage Site. Romantic overnight stays in historical palaces and monasteries (Paradore) provide a very dignified ambiance in the evening.

Daily stages:

Day 1 - Arrival in Málaga

Our team will greet you at the airport in Málaga and take you to the comfortable tour hotel. If you are already accommodated locally, or your flight arrives early enough (before 11.00 am), you can remove this overnight stay from the included services during the booking process.

Day 2 - Crossing Sierra Morena to Zafra

After our briefing in the morning, the handover of the motorcycles takes place. The tour leads you through the lowlands of the Guadalquivir river to Sierra Morena. Countless fantastic roads await you in this varied mountain and hilly landscape. You travel through oak forests and bull pastures, cross meadows of flowers, and linger at fairytale lakes. The road adapts to the landscape, long curves and good asphalt make your heart beat faster. In the evening

you reach the typical Spanish village of Zafra, your first destination of the day.

Destination: Zafra

Distance / duration: 370 km / 6,5 h

Accommodation: 4*hotel in Zafra

Day 3 - Along the Silver Route to Merida and Trujillo
From Zafra, you travel along the Silver Route into the Extremadura region. This is where the „conquistadores“ of the Americas, Hernán Cortez, and Francisco Pizarro, came from, bringing Inca and Mayan gold to their homeland of Spain to finance the construction of magnificent palaces and churches. You stop in Merida, the Roman capital of Lusitania founded by Emperor Augustus 2000 years ago. Passing the Roman aqueduct of Los Milagros, you cross the Cornalvo Nature Park and head towards Trujillo, where you will spend the night. Trujillo, the birthplace of the famous conquistador Pizarro, is known for its beautiful main square, a medieval fortress, and city walls with seven gates.

Destination: Trujillo

Distance / duration: 290 km / 6 h

Accommodation: 4* hotel in Trujillo

Highlights: Aqueduct Los Milagros, Cornalvo Natural Park

Day 4 - Monfragüe Natural Park, Cáceres and Plasencia

This morning you cruise through Sierra de Fuentes to get to Cáceres. Cáceres boasts a very well preserved historic center and numerous palaces from the XIV century. For many, it is even the most beautiful city in Spain and indeed the flair of this city is unique. Cáceres is a place where you could stay even longer, but there are still many beautiful things to discover, such as Monfragüe Nature Park on the way to Guadalupe. The natural park was already protected

in 1979 and is home to one of the largest and most representative Mediterranean forest areas. On the cliffs are impressive breeding colonies of griffon vultures, here also nest peregrine falcons, Bonelli's eagles, and eagle owls. In the afternoon you reach Plasencia, located on the banks of the Jerte River, one of the main stages of the Silver Route.

Destination: Plasencia

Distance / duration: 180 km / 4 h

Accommodation: 4* hotel in Plasencia

Highlights: Cácares, Monfragüe Natural Park.

Day 5 - The curvy paradise of the Sierra de Gredos and Guadalupe

You leave Plasencia and the Silver Route, as your motorcycle smells mountain air today. You will ride up to the motorcycling paradise of the Sierra de Gredos mountains, where you will enjoy unique views of the Almanzor peak with its almost 2600 meters. The roads in this mountainous region seem to be made for motorcycling and you spend a perfect day of riding before setting up your evening quarters in Guadalupe. Guadalupe is famous for its Black Madonna, the patron saint of all Spanish-speaking countries.

Destination: Guadalupe

Distance / duration: 300 km / 6 h

Accommodation: 4* hotel in Guadalupe

Highlights: Sierra de Gredos, Almanzor peak

Day 6 - Across Extremadura to Palma del Rio

On your way to Palma del Rio, you are crossing a landscape of lakes; each of these once man-made lakes has its own character. Afterward, it is time to depart from this region you already know so well. But there are still beautiful stretches of the road awaiting you as you head towards Palma del Rio, the place where the Catholic kings and Columbus once met.

Destination: Palma del Rio

Distance / duration: 280 km / 6 h

Accommodation: 4* hotel in Palma del Rio

Highlights: Natural paradise Extremadura, Palma del Rio

Day 7 - Return to Málaga via Puerto de las Palomas
