Dates and duration (days)

On request

8 days

**Greece: 4 guided motorcycle tours to the most beautiful places on Crete. 1 full day tour on a great sailing boat with drinks and lunch (snorkel and fins available on board). 1 day jeep safari to the mountains of Crete!**

These inclusive packages with tour guide, rental motorcycle and hotel will also convince you. Whether as an individual ride or in groups: we introduce you to the island of Crete from completely new perspectives!

Tour course:

**1st day**

Arrival and collection of participants from the airport. Afterwards a cosy barbecue evening with tour briefing and overnight stay in the motocamp to get to know each other.

**2nd day**

Ride-in tour to get to know the motorcycles and roads (Idagebirge-Lashitti). Dinner and overnight stay at Motocamp.

**3rd day**

After a restful night and a hearty breakfast we leave at 10.00 am at the hotel. Via Heraklion we ride into the high mountains via Anogia to the Nida plateau. With good visibility we take the ascent to an observatory and shoot incredible holiday pictures. On the way back, we'll have a delicious handmade ice cream.

**4th day**

Today we ride via Agios Nikolaos in south-east direction. At the narrowest point of Crete we cross the island to the south side. In the village Gallini we visit a beautiful bay with the possibility to refresh ourselves with a small snack. From here we continue in the direction of Sitia and tackle the return journey along the north coast road.

**5th day**

After breakfast we head off to the south of Crete. Across

the island we ride along the Messara plain and through the gorge of Tripti (secret tip) to a beautiful beach. From here we ride to Matala, one of the most spiritual places in Crete. Matala is a small fishing village that has not lost its unmistakable charm until today. Here we have the opportunity to visit the world famous caves of Matala. These are the caves where the ancient Cretaceous buried their dead. In the middle of the 60s, hippies recognized these caves for themselves and lived in them until the 70s. Still today you can see many old hippies who visit this place again and again. You will love Matala. Great beach, don't forget your bathing suit.

**6th day - Sailing tour**

After breakfast we take a shuttle service to the port of Heraklion. Here our skipper and a great sailboat await us. From here we start our sailing tour to the island Dia where we anchor (bathing, eating, feeling good!) In the afternoon we return to Motocamp where we have dinner.

**7th day - JEEP-SAFARI**

After the briefing in the vehicles we start our tour into the mountains of Crete. (Tours vary depending on the weather.) In the evening our farewell barbecue is at the motocamp.

**8th day - Departure**

After a good breakfast we start our journey home. You will be brought safely and on time back to the airport!
