Enduro tour in Andalusia: Single trails, steep ascents and descents, original landscapes - just original Andalusia.

The starting point for all enduro tours in Andalusia is Pizarra, near Málaga, southern Spain. Ideal temperatures (over 3,000 hours of sunshine a year) and Andalusia's extraordinary landscape are the prerequisites for an unforgettable enduro vacation where active experience comes first.

We offer you the possibility to discover hidden nature areas far away from all roads. Andalusia offers many varied and adventurous routes through its hills, mountains and riverbeds. We have a seemingly infinite tour repertoire, are with each single trail on Du and Du and cover all driving wishes from beginners to experts.

Equipment: To ensure maximum passive safety, complete protective equipment is required. Helmet, enduro goggles, gloves, MX or enduro boots, protector jacket, shirt and pants. Rental equipment is available, prices on request.

Damage to the rental vehicles: We don't have to talk about scratches you cause on the plastic parts or hand shells of the vehicles. If something is damaged in a crash that makes a repair or replacement necessary, we will charge our cost price. After all, the next group would like to have decent vehicles again....

Tour - dates: Our season in Andalusia starts at the end of September and ends in May. We are also happy to arrange a special date for you - just ask, we will be happy to inform you of the possibilities.
