from €619.00

Dates and duration (days)

Bordered between Bavaria, South Bohemia and Lower Austria we find here a still largely unknown paradise for motorcyclists. This region advertises with the slogan "Experience farsightedness" and this is exactly what we will let you participate in.

We don't expect any vertical meters, rather we drive through the natural hilly landscape of the Mühlviertel. Away from tourism, we experience a constantly changing landscape here. River valleys with deep estuary gorges and a hilly landscape with its unique granite formations provide lots of views.

This tour offers a feast for all the senses. Culinary delicacies such as the famous bacon dumplings, linseed oil potatoes or the Mühlviertler beers are the exquisite ingredients of this tour.

Day 1- Arrival day

Individual arrival until 18:00 o'clock

Getting to know each other and presenting the tours

The meeting point for our tour is near Rosenheim, where we spend the first evening. He offers us the opportunity to get to know the other participants and our tour guide will make you curious about the upcoming days.

Day 2 - Joint trip to Austria

The destination of the day is the Granithochland Mühlviertel. The journey takes us on winding side roads along numerous lakes in Bavaria and Upper Austria before we reach our hotel in the middle of the nature park in the late afternoon.

Day 3 - Pleasure tour to the Danube

After an extensive breakfast we "experience" the most beautiful motorcycle routes of the region. The tour takes us through a beautiful hilly landscape to Europe's second-longest river, the Danube.

Day 4 - Border experience South Bohemia

Today's motto is "border experience". For a while we leave the Mühlviertel to visit the town Český Krumlov in South

Bohemia, affectionately called the "Pearl of the Bohemian Forest". Countless winding lanes with small street cafes radiate a Mediterranean flair and invite you to linger. The way back leads us over wide curves with little traffic and provides a lot of driving fun. Back in our hotel we can relax and can look forward to a fresh, down-to-earth cuisine.

Day 5 - Joint trip to Germany

Today we have to say goodbye to the Mühlviertel and for the last time we enjoy the fantastic views of the gentle hilly landscape. We drive through the Salzburger Land as well as the Traunsteiner Land and the Chiemgau. Over small side roads with numerous curves we approach again the original place of departure of our journey near Rosenheim.

Day 6 - Individual departure

4 exciting driving days lie behind us and thus 1050 driving kilometers with infinitely many experiences and impressions. No goodbye forever, the next adventure is already waiting for us.

Difficulty Level

Easy (SG 1): This tour has no high requirements and is suitable for all types of riders. The tour is carried out via smooth curves alternating with straight stretches and is also suitable for beginners and returning riders. Fast and safe overtaking operations should be possible. Difficult sections of curves are rather the exception.

On our tours we are basically only on the road with one group. Our travel groups are deliberately kept small and limited to 8 motorcycles. The minimum number of participants on this tour is 6.
