Dates and duration (days)

**By popular request we have taken this tour back into our program and are looking forward to this little paradise for motorcyclists. The Alps are right on our doorstep and offer a true postcard landscape that is hard to resist.**

Endless curves, deep blue lakes and the multitude of mountains with their enormous height meters will inspire you!

For our stay on this tour we have chosen a hotel of the extra class. Not far from Lake Constance, a hotel between tradition and modernity awaits you. The down-to-earth cuisine combined with Mediterranean influences makes our stay here a special experience.  
Views and Landscapes

A trip through the Allgäu means constantly changing views. From the hilly foothills of the Alps to the Lechtal Alps, unique views open up in this triangle of three countries. Away from the traffic, the route continues over narrow and varied curves and hairpin bends through dreamlike valleys up to 2000 m above sea level and sometimes up to 14% gradients.  
Mountains and passes

Who hasn't heard their names? Hochtannberg Pass, Flexen Pass, Silvretta Road, Faschina Pass, Furka Pass. Great names for unique motorcycle routes that guarantee pure driving fun! There are many possible combinations to travel on all these passes. Again and again we change between gentle alpine landscapes and alpine passes and offer you enough time for small breaks and photo stops.

Experience a real alpine feeling on this tour, peppered with traditional cuisine and warm hospitality. On the way with like-minded people, cosy get-togethers in convivial company and the natural beauty of this region - this motorcycle tour offers you all this for discoverers and connoisseurs.
