from €629.00

Dates and duration (days)

We are looking forward to a unique tour to our neighbouring country the Czech Republic, let us spoil you with typical local dishes and enjoy a warm hospitality during our stay on the spot.

Experience the magic of the unknown and enjoy the cordiality of the people in their original way. Small side roads meander through endless forest areas and provide a lot of riding fun.

Tour schedule:

Day 1- Arrival day

Individual arrival until 18:00 o'clock

Getting to know each other and presenting the tours

The meeting point for our tour is in the Franconian wine country. Romantic valleys with idyllic little villages, which still have their small rural structure, characterise this charming natural landscape. The evening together gives us the opportunity to try the good wine and our tour guide will make you curious about the upcoming tours.

Day 2 - Through Franconia to the Czech Republic to the Pilsen region

After a perfect breakfast we start towards Franconian Switzerland. Small, winding routes away from the tourist strongholds promise unlimited fun with motorcycling. Around noon we reach the border to the Czech Republic, unlike on the German side, the landscape with numerous gorges and countless forests with their winding small side roads on best asphalt predominates here. Passing Pilsen we reach our hotel in the late afternoon, which will surely be remembered for a long time. Housed in a castle, we are transported several centuries back to the time of princes, kings and emperors and spoiled like true nobles.

Day 3 - We reach Prague at noon along small bends and will explore the metropolis individually after check-in at the hotel.

Today's tour will be a bit shorter to reach Prague in the late afternoon. The lively city centre, the winding alleys of the old town, the wide view that opens from Charles Bridge and the Prague Castle - Prague, which watches over everything, has a special charm. Together we will explore the city on foot and get an insight into the colourful hustle and bustle of this metropolis. Experience with us together the most beautiful corners of Prague and enjoy with us the traditional Czech cuisine or just the Aperol Spritz in a small pub on the Vltava. We will conquer this city spontaneously, no pre-booked city guide, our tour guide knows the hotspots of the city, knows what pleases and exactly there we will experience Prague very closely.

Day 4 - From Prague to Usti

Farewell and departure from 14:00 hrs

Along the Elbe we head north and again and again we cross hilly landscapes with their wonderful forests. After lunch together with local delicacies we say goodbye. No goodbye forever, the next adventure is already waiting for us.
