Dates and duration (days)

Choose the comfortable way by flight for your journey and let us transport your motorcycle to your destination.

We will pick you up at the airport and hand over the motorcycles at the accommodation. We spend the first 3 nights in a hotel at the foot of the Sierra Nevada. Afterwards we ride over numerous mountain roads into the proximity of Malaga, where we will spend the remaining four days.

Streets like in a picture book

Experience pure Andalusia with its fantastic coastal roads, the gigantic mountains of the Sierra Nevada and endless curves in the hinterland. On our tours we experience a constant interplay between mountains and sea, the hinterland offers a multitude of small curves, lonely and alone in the mountains. We ride on winding coastal roads with constantly changing views of the sea, nowhere are the distances between sea and mountains so close. Experience motorcycle routes of the extra class, landscapes which come up with incomparable beauty, little traffic and enjoy pure riding fun. To be here means to be alone with all the experiences and the indescribable feeling of experiencing freedom.

Our tours lead through endless cork oak forests, olive groves and along countless orange trees, whose fragrance is incomparable. The special charm of this tour lies in the few used roads with the best asphalt, the recurring reservoirs with their azure blue water and the fantastic views of this contrasting landscape. Between tradition and pleasure

We cross Andalusia's "white villages" and ride on asphalted side roads, which provide plenty of riding fun. Our way to Ronda is undoubtedly one of the most beautiful sections of this tour and once here we visit the over 200 year old bullring.

In the middle of the Alpujarras lies one of the highest villages in Spain. The small mountain village of Trevélez has become famous for the production of air-dried ham and offers numerous opportunities to taste the fine taste of this excellent ham. Small tapas bars along the way spoil us with traditional cuisine and a hospitality that is hard to resist. Let yourself be fascinated by the Spanish tradition and passion, which is unmistakably temperamental and cordial.

Our Family Plus Offer

Would you like to spend your holiday with your family? Let your family accompany you even without participating in a tour. We are happy to book the same accommodation and have a lot of suggestions for an alternative programme. Our hotels offer plenty of amenities for the family and the time after the tours.

Free riding

Passports spray a special charm. Riding them is fun, although the definition of fun can be very different. Some like it fast and sporty and others want to conquer curve after curve comfortably in order to enjoy the views. Sweeping hairpin bends and tight bends can be a real challenge. What we want is riding fun for everyone and for this reason we give our guests the opportunity to ride on passes at their own pace, stress-free and detached from the group.

The destination airport for the journey is Malaga.

rental motorcycles

Our rental motorcycles are with German registration and best maintained, as well as technically perfect rental vehicles. The motorcycles can be equipped with a suitcase
