

7 Days Czech Republic Tour (M-ID: 2290)

<https://www.motourismo.com/en/listings/2290-7-days-czech-republic-tour>

from €869.00

Dates and duration (days)

Surrounded by Germany, Poland and Slovakia, the Czech Republic hides an almost undiscovered paradise for motorcyclists.

Certainly there are no passes to conquer with countless hairpin bends and metres in altitude, but rather this region offers a variety of impressive hilly landscapes with small, winding side roads through an unspoilt setting with little traffic.

To experience this region on a motorcycle is a combination of daily cornering magic, peppered with hearty cuisine and wonderful hospitality.

Day 1

The meeting point for our tour is Dresden. The evening together gives us the opportunity to get to know the other participants and our tour guide will make you curious about the upcoming tours. In the evening you can expect a visit to the Dresdner Neustadt, probably the liveliest and most dazzling scene quarter of East Germany. With well over 100 pubs, restaurants and bars in a small area, real life takes place here night after night. Immerse yourself in the pleasant atmosphere of a quarter that never seems to sleep.

Day 2

We ride through the eastern edge of the Saxon Switzerland National Park and cross the border to the Czech Republic here. The landscape remains the same, only the name changes - on the Czech side it is called Bohemian Switzerland. Around noon we reach the biker cave Pekelné Doly, a well-known biker meeting point in the middle of an impressive sandstone cave.

After our stop we continue to Jestěd, with its 1012 m height it is the highest elevation in the Jeschkengebirge in northern Bohemia. At the top we can enjoy a wonderful 360° panorama.

Day 3

The first destination of the day is the famous winter sports resort Spindleruv Mlyn in the Krkonoše Mountains. Situated at the foot of the Schneekoppe there are countless ski slopes and small cafes invite you to stay. This region is very well developed for tourism and therefore perfect roads with best asphalt are waiting for us. In the late afternoon we reach our hotel in the Bohemian-Moravian borderland.

Day 4

Today's tour takes us to the southern end of the Bavarian Forest. Our way leads us along famous cities like Budweis and Krumau on the Moldau. In the middle of untouched nature with unique flora and fauna we pass through idyllic villages and seemingly endless forests. At the end of the day we reach the Lipno Reservoir, which is affectionately called the Bohemian Sea.

Day 5

Experience together with us the wonderful winding roads in the Šumava, a 120 km long mountain range that winds along the Czech-German border. Pure riding fun awaits us on small, winding roads with the best asphalt.

For tonight we have chosen a first class hotel in Mariánské Lázně. After our arrival and a refreshment we will explore the historical old town on foot and be spoiled by an excellent cuisine. Typical Czech specialities like the bacon roast with cabbage and dumplings will delight you!

Day 6

On our last day of the tour we will ride through West Bohemia with the famous spa towns of Karlovy Vary and Mariánské Lázně. Here the landscape with numerous gorges prevails, which meander through rocky areas with their steep walls. Slowly we have to say goodbye to the Czech Republic. Our hotel is located in the curve paradise

Vogtland and you can be sure that even the last kilometres will be a real curve magic.

Day 7

Today it is time to say goodbye. Exciting days lie behind us and with them 1400 riding kilometres. No farewell forever, the next adventure is already waiting for us!

More details

Total distance: 1400 km

Daily stages: 230 to 350 km

Tour start: Dresden (D)

Tour end: Plauen (D)/ with hotel change

Luggage transport:

No: There is no escort vehicle available for this tour. Each participant transports his luggage independently on the motorcycle.

Difficulty Level:

Easy (SG 1): This tour has no high requirements and is suitable for all types of riders. The tour is carried out via smooth curves alternating with straight stretches and is also suitable for beginners and returning riders. Fast and safe overtaking operations should be possible. Difficult sections of curves are rather the exception.

Our travel groups are deliberately kept small and limited to 10 motorcycles. The minimum number of participants on this tour is 6.
