Dates and duration (days)

Do you also know that the long awaited holiday is still far away, everyday life is stressful, there is no time to breathe a sigh of relief and a time-out would be urgently needed?

Under the motto "I'll be gone for a while" we offer you a short trip over 2 days and a short break from everyday life. Relax - unwind - recharge your batteries. Be inspired by the special moments of motorcycling and experience a journey away from the mainstream on our tour. Comfort begins where standard ends.

Day 1:

The meeting point for our tour is Dresden. The evening together gives us the opportunity to get to know the other participants and our tour guide will make you curious about the upcoming tours. In the evening you will visit the Dresden Neustadt, probably the liveliest and most dazzling scene quarter of East Germany. With well over 100 pubs, restaurants and bars in a small area, real life takes place here night after night. Immerse yourself in the pleasant atmosphere of a quarter that never seems to sleep.

Day 2:

After an extensive breakfast we start towards the Czech Republic. Thanks to Schengen, the border crossings are now so "green" that they are no longer conspicuous and at the latest when we see the first town entry signs in a foreign language, we know that we are in the Czech Republic. At late noon we will reach Prague. After checking in at the hotel we will explore the city on foot together and get an insight into the colourful hustle and bustle of this metropolis. Experience the most beautiful corners of Prague together with us and enjoy the traditional Czech cuisine or just a Staropramen in one of the small restaurants along the Vltava River. We will conquer this city, no pre-booked guide, our tour guide knows the hotspots of the city, knows what you like and that's exactly where we will "experience" Prague up close. Look forward to a boat tour of a special kind and culinary delights that are typical and authentic.

Day 3:

Quite fast we leave Prague behind us and ride to Melnik, where the Vltava flows into the Elbe. Along the Elbe we continue towards Dresden and again and again we ride on perfect roads on best asphalt, the magic of the curves is endless and traffic is hardly noticeable. The landscapes are wildly romantic and unspoilt and therefore this region radiates its own magic. In the late afternoon we reach Dresden and it is time to say goodbye. Not forever, the next adventure is already waiting for us.
