Sardinia, the second largest island after Sicily in the Mediterranean Sea, offers motorcyclists unlimited riding pleasure.

Mountains, forests, wide plains, sand and rocky beaches, cliffs and bizarre coasts, Sardinia offers all this. Away from tourist strongholds and mass tourism, we tour along beautiful coastal roads, great mountain routes with incredible views and lonely plateaus. Our tour starts and ends in Trentino from Livorno and we take the night ferry to Sardinia. Our tour center on the island is located on the east coast, near Orosei, in a family 3-star hotel. From here we start to all day tours and reach the most beautiful motorcycle routes in a few minutes.

Day 1:

Meeting point 6 pm at our starting hotel in Trentino in Lavis. Rooms with breakfast are already booked. After the welcome and discussion of the tour itinerary, we will have the opportunity to have dinner in a nice restaurant and get to know each other better over a glass of wine.

Day 2: Trentino - Livorno

Journey to Livorno for the ferry to Sardinia. To cross the Po Valley we will use the motorway. Then it goes over lonely, winding roads across the Appennin Mountains past Pisa to Livorno. Night ferry to Sardinia.

Day 3: Olbia/Golfo Aranci - Arbatax

Arrival with the ferry in the morning (07:00) in Olbia/Golfo Aranci on Sardinia. On the SS125, one of the dream roads of Europe - we will drive via San Teodoro - Orosai - Baunai - Tortoli to Arbatax. If time permits, we will make a small detour to the 'Gennargentu'. In Arbatax is our tour center. From here we start our day tours on the island.

Day 4 - Day 7:

In the next four days we will plan the tours individually on

site, depending on the weather, as well as your mood. Of course, one or the other can also schedule a rest day by the pool or on the beautiful sandy beach to recover from the exertions of the previous days. The tours take us both to the south and to the north of the island. Both pleasure tourers and culture freaks get their money's worth.

Day 8: Arbatax - Olbia/Golfo Aranci

Today the return journey starts again. In the early morning we ride across the island to enjoy the last curves again - to Golfo Aranci - to the ferry to Livorno.

Day 9: Livorno - Trentino

Our ferry arrives in Livorno early in the morning. We then tour comfortably in a northerly direction back to Lake Garda. During our last dinner together in our starting hotel in Trentino, we review the past few days.

Day 10: Individual journey home

After an extensive breakfast we set off on our journey home.

The exact course of the route will be discussed individually for each day.

The corresponding maps are available on site. Daily stages are between 200 - 350 km.

The tour guide reserves the right to change the individual daily stages after consultation with the participants.
