Sardinia, the second largest island after Sicily in the Mediterranean Sea, offers motorcyclists unlimited riding pleasure.

Mountains, forests, wide plains, sand and rocky beaches, cliffs and bizarre coasts, Sardinia offers all this. Away from tourist strongholds and mass tourism, we tour along beautiful coastal roads, great mountain routes with incredible views and lonely plateaus. Our tour starts and ends in Trentino from Livorno and we take the night ferry to Sardinia. Our tour center on the island is located on the east coast, near Orosei, in a family 3-star hotel. From here we start to all day tours and reach the most beautiful motorcycle routes in a few minutes.

Day 1:

Meeting point 18 o'clock in our starting hotel in Trentino. Rooms with breakfast are already booked. After welcoming you and discussing the course of the tour, we still have the opportunity to have dinner in a nice restaurant and get to know each other better over a glass of wine.

Day 2: Trentino - Livorno

Journey to Livorno for the ferry to Sardinia. To cross the Po Valley we will use the motorway. Then it goes over lonely, winding roads across the Appennin Mountains past Pisa to Livorno. Night ferry to Sardinia.

Day 3: Olbia - Torre di Bari (Barisardo)

Arrival with the ferry in the morning (07:00) in Olbia on Sardinia. On the SS125, one of the dream roads of Europe - it goes via San Teodoro - Orosai - Baunai - Tortoli to Torre di Bari. If time permits, we will make a small detour to 'Gennargentu'. Our tour centre is located in Torre di Bari. From here we start our day trips on the island.

Day 4 - Day 7:

In the next four days we will plan the tours individually on

site, depending on the weather, mood and desire, of course, one or the other can also plan a rest day at the pool to recover from the strains of the previous days. The tours take us both to the south and to the north of the island. Therefore both the pleasure tourers and the culture freaks will get their money's worth.

Day 8: Torre di Bari - Olbia

Today the return journey begins again. In the early morning we ride across the island, to enjoy the last curve again, to Golfo Aranci - to the ferry to Livorno.

Day 9: Livorno - Trentino

Our ferry arrived in Livorno in the early morning. Afterwards we will tour leisurely in a northerly direction back to Lake Garda. During a cosy dinner in our starting hotel in Trentino we will review the past days.

Day 10: Individual journey home

After an extensive breakfast we set off on our journey home.
