Round trip through the Adriatic countries Slovenia-Croatia-Montenegro-Albania-Italy

Our 15 days round trip around the Adriatic Sea will take us through 6 countries: Austria, Slovenia, Croatia, Montenegro, Albania, and Italy. On this tour, we will ride the most beautiful roads and cities around the Adriatic Sea. On the Croatian side, of course, the beautiful coastal road and the cities of Zadar and Dubrovnik and in Montenegro Kotor must not be missed. With the night ferry, we reach Bari in Italy. We dedicate a part of our trip to Apulia, unknown to most of us, with its cities Alberobello with its Trulli, and Matera with its Sassi, the cave dwellings. Over the spur of Italy, the Gargano over the Abruzzo, Umbria, and Toscana into Belluno we drive over South Tyrol and the Dolomites to our start and destination hotel in Salzburg.

So if you want to experience the dream of this "unique" motorcycle tour through the Adriatic countries, bring enough condition and motorcycle experience ... then this tour is just right for you!
