This tour takes us to the motorcycle paradise Bavarian Forest, Mühlviertel, Bohemian Forest, Czech Republic. Hardly frequented roads with countless curves offer a lot of curve fun.

One of the largest contiguous forest areas in Central Europe. An area made for us bikers.

Our daily stages lead us along untouched river valleys and lakes to the neighbouring Czech Republic and the Mühlviertel in Upper Austria. Another tour brings us into the beautiful Danube valley, here there are curves as far as the eye can see. The evening will end in a cozy atmosphere in our hotel in the middle of the National Park "Bavarian Forest" with a multi-course dinner and a drop of wine.
