Southern Portugal and Andalusia: Doñana Natural Park, Monchique, Cabo Sao Vicente, Aracena incl. Guide, hotels, flight and motorcycle transport.

Our journey begins in Malaga, the city of the sun. We let the road take us to the heart of the Doñana Natural Park, where the extraordinary town of El Rocío awaits us. A place where life is simpler and more beautiful: locals enjoying a cold beer on their horses - an unforgettable sight.

As we cross the border from Spain into Portugal, you experience the magical feeling of crossing cultures. Our destination is Monchique, a town in the middle of an oak forest, a maze of winding and empty roads of the Serra de Monchique mountains. Here we will spend three nights in a beautiful SPA hotel. The healing atmosphere of the place is perfectly balanced with days in which we master winding, challenging and incredible routes in the region.

We return to Spain, towards Aracena, in the middle of the land of Jamón de Jabugo, where we stay in a typical Andalusian and cozy little hotel with small cottages and a fireplace.

Our final ride back to Malaga, with the sunset behind us, is an extraordinary way to end the tour.

The group has between 6 and 12 participants, we always start at 10 am in the morning and reach the hotel at 6 pm at the latest. The daily riding time is usually between 5 and 6 hours and throughout the day we take many small and 3 larger breaks, for coffee, food or refueling. On each tour there are very curvy and challenging routes that give you the opportunity to improve your riding skills without getting into stress. Because we pay attention when riding in the group very on safety distances and want that each participant has his riding fun and swings in the flow through the curve paradise.

As always, our hotels are all hotels that we trust and have

stayed in many times. They are all comfortable, cozy and in fantastic locations.
