You can book this tour on Harley-Davidson® or on BMW® (extra charge) motorcycles or also on Polaris® Slingshot® (extra charge).

Breakfast - if offered by the hotels (A frank word on the subject of breakfast in the USA: We would like to point out that breakfast as an included service in American or Canadian hotels is not a matter of course. There are all different varieties of breakfast. Some hotels offer coffee and some kind of roll, toast or a piece of cake, plus maybe some jam. If one is lucky, there is some fruit or dairy products. Some accommodations only offer coffee with a coffee maker in the room. Other hotels offer a varied breakfast. Many hotels decide in the middle of the season to launch this service, to abolish it or even to change it. There is generally everywhere a possibility to buy breakfast for little money. We write in the services "Partial breakfast", because we can not guarantee which hotel all of a sudden decides for it or against it).

Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a MOTORCYCLE CLASS GUARANTEE. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

Class mix in booking is not allowed.

**OPTIONAL MOTORCYCLE MODEL GUARANTEE:** If the desired model is available, our partner will confirm the booking for the desired model, however, he reserves the right to offer an alternative model from the same category, if your desired model is not available. This can happen, for example, if the previous renter returned the motorcycle with damage. If choosing a specific model is very important to you, then this model will be guaranteed to you for an extra charge of 125 EUR per rental.

In the unlikely event that this service does not work out on the spot, you will get a motorcycle from the same category and the fee will immediately be returned to you.

An honest word among bikers:

With the next lines we would like to prepare you in the best way for the adventure of your life. You are either about to book one of the most beautiful types of travel, or you have already done so. The biggest difference between our type of holiday and a general package tour is that you are actively involved. Riding a motorcycle is one of the best things in life. At least for us bikers. The focus of the trip is motorcycling through unique landscapes. We have designed the programs in such a way that both riding fun and experience are present in sufficient quantity. Team spirit and adaptation in the group are absolutely necessary just as you need to bring a certain basic fitness and experience so that we can reach the destination together happy and healthy. If you have any doubts about your health, fitness or experience levels, please contact us beforehand. We want to achieve the best holiday experience for you too. The daily stages are on average 250 - 400 kilometers long. That sounds a lot, but it can't be compared to the same route in Europe, considering that there are often 80 kilometers without passing through a town and a whole day without traffic lights during the program. There are also hardly any traffic jams. We are rarely in the saddle for more than five hours throughout the day. We reach our daily destination between 4 - 6 p.m., depending on the season. Depending on the weather and daily temperatures, it can happen that we have to leave a little earlier or reach our daily destination later. However, if we want to experience a picture book sunset with full intention, it will be a little later.

-

Insurance:

We generally recommend that you take out travel cancellation insurance.

-

Upon request:

1/2 double rooms can be booked upon request. If a 1/2 double room is already available, we will confirm it to you in your booking. If the 1/2 double room is not available at that very moment, then we will confirm a single room first. As soon as we have a booking for the second half of the room, we will immediately credit you the single room surcharge.
