guided motorbike tour to Slovenia - Croatia - Bosnia - Montenegro

Balkan round trip - on this new tour we visit 4 Balkan countries in 12 days; Slovenia, Croatia, Bosnia, Montenegro.

For many, the Balkans is still a book with seven seals. Deep gorges, wide swamps, dense forests - wild and pristine are these sparkling natural jewels. Here are some of the last primeval forests in Europe. In Montenegro alone there are four national parks. In the north, the "Tara" has dug a 1,300 metre deep gorge into the Durmitor Mountains, creating the longest and deepest canyon in Europe.

It is also the largest bay on the Adriatic, the Boka Kotorska (Bay of Kotor), which is also the southernmost fjord in Europe. Not to forget the kindness and exemplary hospitality of the people of these Balkan countries, who create unforgettable moments in addition to this beautiful landscape.

Of course the famous "Jadranska Magistrala" the Croatian coastal road should not be missing on our tour. Close to the edge of the Velebit Mountains, the Magistrala squeezes along the coast. We will also drive on parts of this "dream road" again.

On this tour there will also be an escort vehicle for the luggage transport !

This tour is led as a scouting tour that is:

Although the routes have been carefully planned by us, this is the first time the tour will be conducted. There is also the possibility to think about and try out alternative routes together with the whole group, our tour guides already have experience in this area.

So if you want to experience the dream of this "unique"

motorcycle tour through the Balkan countries, if you are fit enough and have enough motorcycle experience ...

--> then this tour is just right for you!

Day 1:

Arrival at our cosy start hotel in the Salzburger Land, getting to know each other over a cosy dinner and presentation of the tour.

Day 2:

After a hearty breakfast we start our tour via Berchtesgaden over the Dürrnberg to Hallein in the Ausseer Land to the world famous Celtic city Hallstatt with a short photo stop. Afterwards we will travel over the Koppen Pass in the direction of Hohe Tauern in Styria. Over small winding roads, which let every biker's heart beat faster, we reach our hotel for the 2nd day in the area around Deutschlandsberg (South Styria) approx. 310 km

Day 3:

After the morning refreshment, we continue on the Soboth; towards the Seeberg saddle, where we cross the border to Slovenia. Through the Kokra valley, Idrija valley we reach Postojna. We continue to Rupa to the border crossing to Croatia, where we reach the coastal road (Jadranska Magistrale) after a short motorway drive (approx. 20 km). Our hotel is located in the picturesque Kvarner Bay, in the area of Crikvenica About 330 km.

Day 4:

After breakfast we board our motorcycles and take the beautiful Jadranska Magistrale to Karlobag. We leave the coastal road and "climb" the Velebit Mountains, where we reach a height difference of over 900 meters in a very short time.

At the Ostarijska Vrata viewpoint, a unique view of the Croatian islands at our feet opens up.

We will continue to the hinterland to Skradin, where we will cross the river Krka and spend the night near Sibenik.

(About 300 km)

Day 5:

After the morning refreshment we leave Sibenik in the direction of Trogir, where a short break is planned.

At the town of Omis we leave the Jadranska Magistrale and follow the river Cetina.

Afterwards we will drive to the National Park Biokovo where we will reach the highest accessible point of Croatia (Sveti Jure 1762 m).

From up there you have an indescribable view of the Dalmatian islands (Brac, Hvar).

Day 6:

After breakfast we will travel via Bosnia-Herzegovina to Dubrovnik, a city that is also called the pearl of Dalmatia because of its beauty.

After a short stop there, we cross the border to Montenegro. From there we continue into the bay of Kotor, which reminds us of a Norwegian fjord due to its location.

Our hotel is located on the coast in the Budva area.

(About 260 km)

Day 7:

Today we are going to the interior of Montenegro where curves and fantastic mountain landscapes await us. Via Podgorica we drive up to the monastery Ostrog, which was uniquely built into the rock.

After a sightseeing tour we drive towards Durmitor National Park. Over winding roads we will reach Zabljak where we will spend the night.

(About 200 km)

Day 8:

After breakfast we drive to the Sedlopass in Durmitor National Park (1902m). We are offered a fascinating landscape in the national park. We cross the border between Montenegro and Bosnia. Continue to Mostar to the historic bridge. We will also spend the night there and can thus get to know the city

better.

(About 250 km)

Day 9:

This morning we leave Bosnia and tour across the interior to Croatia where we will stay overnight in Zadar.

(About 300 km)

Day 10:

From Zadar we start along the coastal road to the island of Pag. The characteristic features of the island are extremely impressive. While at the side facing the mainland, one gets the impression of a moon landscape, in the interior of the island, the pure opposite is offered with a lush vegetation.

After a short ferry crossing (about 15 minutes) we reach the mainland again. We enjoy the winding coastal road to Rijeka, cross the border to Slovenia again and will spend the night in Kobarid.
