A magnificent painting of valleys and lakes. A land full of warmth and sunshine.

The Alpine chain keeps cold winds at bay, and Mediterranean air currents from the south pamper the valleys and lakes with soothing warmth. The shores of Lago Maggiore, Lago di Lugano and, not forgetting, Lago di Como are dotted with palm trees. Beautiful towns like Ascona at the foot of Lake Maggiore, where above the famous and impressive valleys "Val de Maggia" and "Val de Verzasca" rise into the mountain peaks of Ticino.

Picturesque terraced villages, such as "Gandria" or "Vico Morcote", as well as the city of Lugano with its "Piazza della Riforma" reflect southern charm. There is a Swiss and an Italian part.

Motorcycle tours around Lake Maggiore will remain in your memory. The diversity of the area, once alpine-like, then the rolling hills and valleys with their Mediterranean influences; unsurpassed and unique!

Of course, we also make a detour to Lake Como, past the Villa d'Este along the shore to the metropolis of Como.

We look forward to seeing you and experiencing more together.

Program:

Day 1: Arrival at the Stopover Hotel.

Departure at 9:00 a.m. from the Geismühle West service area (A57) in a southerly direction to our intermediate hotel Landgasthaus-Hotel Maien in Rheinfelden.

Alternatively, you can join the group on the way or travel to Rheinfelden "on your own".

Day 2: To the first base hotel.

Today we ride on a slightly longer stage to our first base hotel on Lake Maggiore. Weather permitting, we will ride over the Glaubebühlen Pass, the Grimsel Pass, and the Simplon Pass.

We will let you know well in advance if a freeway vignette is required for the ride through Switzerland.

Day 3: The western shore of Lake Maggiore.

After breakfast, we will tackle the western shore of Lake Maggiore. Via Cannobio and Ascona with its unique lakeside promenade, we ride into the Valle Verzasca and the Valle Maggia before continuing to our base hotel after a detour via Ponte Brolla, Santa Maria Maggiore and across the harbor of Cannobio.

Day 4: Lago D'Orta and the Monte Fenera National Park.

We will go to Lago d'Orta, small and dreamy among the mountains. Then we ride through the Monte Fenera National Park along a beautiful and unusual route into the mountains and back to the base hotel.

Day 5: Three Lakes Tour.

On the way to our second intermediate hotel on the northeastern shore of Lago Di Como, today we first cross Lago Maggiore by ferry. Afterward, we go along the Lago Di Lugano to Como. From here we take the winding and very beautiful route over Monte San Primo, situated between the two southern arms of Lake Como. Along the eastern shore of Lago Di Como, we will reach our hotel, beautifully situated directly on the lake shore.

Day 6: Bergamo Alps.

On this day we will ride the Bergamo Alps east of Lake Como, crossing the 1985 meter high Passo San Marco. Although not nearly as high, Passo Culmine San Pietro and Passo Agueglio are also absolute highlights of this tour, at the end of which we ride back along Lago Di Como to our base hotel.

Day 7: From Colico to Lake Constance.

Today we leave Lago Di Como and ride, among other things, over the Splügen Pass, through the famous Viamala Gorge and through the Appenzeller Land to our last intermediate hotel on the northern shore of Lake Constance.

Day 8: Return journey.

Joint or individual journey home to Krefeld or home.

We reserve the right to change the program, route, or accommodation.
