A true paradise for nature lovers. Have you also been dreaming for a long time to experience the impressive Canada live on a motorcycle tour? With this motorcycle tour you can make your Canadian Dream come true. Our tour guides will show you the most beautiful corners on the route through the Canadian West, from the Rockies to Vancouver. Come with us on an unforgettable trip and create lasting memories!

Motorcycles from Harley-Davidson® - the perfect companion for touring Canada:

The satisfaction of our customers is our top priority. That's why we place particular emphasis on optimal equipment when selecting the available motorcycles. So that you are always comfortable and safe in your saddle during the entire route, you can rent top motorcycles from Harley-Davidson® of the Grand Touring class from us. The machines are very well balanced and offer plenty of space in the top case and saddlebags. This makes them the ideal companion for our tours through Canada. For more information, please see "Motorcycles on this tour".

Tour itinerary:

Day 01: Arrival in Vancouver

Welcome to Vancouver. Your arrival is individual. If you have contracted us to organize your flights and transfers, we will be waiting for you at the airport. Otherwise we will meet later at the hotel. In the evening, the first meeting of all participants with your tour guide will take place at the first tour hotel in downtown Vancouver for a "Welcome drink" followed by a discussion about the tour schedule and

lots of "Vancouver tips". Afterwards, the rest of the evening is at your leisure. Overnight stay in Vancouver.

Day 02: Vancouver - Free day

This day is at your free disposal. Rest or take a city tour in this beautiful metropolis. We recommend visiting the famous Stanley Park, Gastown and Canada Place. Overnight stay in Vancouver.

Day 03: Vancouver - Osoyoos (approx. 400 km)

First thing in the morning we load the support vehicle and organize the transfer to the rental station to take over the bikes. Afterwards it's time to leave the metropolis and head for the mountains. The beginning of our tour is on the Trans-Canada Highway, where we get a first impression of the Canadian rivers and later the forests. An interesting stop is the small town of Hope, which served as the filming location for the "Rambo" movies. Here we change to British Columbia Highway 3 and ride through picturesque Princeton and reach the southern part of the Okanagan Valley. Today's destination is very close to the American border and is called Osoyoos. Among other things, you can taste the delicious wine of the NK'MIP Indians here. Overnight stay in Osoyoos.

Day 04: Osoyoos - Penticton - Revelstoke (approx. 325 km)

The lakes are getting bigger. First we pass Skaha Lake and Penticton. Our next companion will be half of Okanagan Lake (about 135 km long and 4-5km wide). We will cross the beautiful Okanagan Valley, pass through Kelowna and then along Kalamalka Lake through Vernon. Vernon is a

tremendously diverse natural paradise. Here you will find alpine meadows, temperate rainforest, fields, orchards and small farms. At the small harbor town of Sicamous we rejoin the Trans-Canada Highway and reach the destination of today's stage - Revelstoke. This famous place is very deeply connected with the railroad history of Canada. Overnight stay in Revelstoke.

Day 05: Revelstoke - Banff (approx. 285 km)

The altitude and vastness of Canada open up on the onward journey. The Trans-Canada Highway takes us through Revelstoke National Park, which is characterized by both rainforest and bizarre glacier formations. As the next natural wonder, we ride through steep mountain ranges, the narrow valleys and diverse glaciers of Glacier National Park, which is also known for its cave system. Passing the railroad town of Golden, we set course for the Rocky Mountains and the land of the bears. We stop at another engineering masterpiece along the way: the Spiral Tunnels. These are two helical tunnels on the transcontinental rail line of the Canadian Pacific Railway (CPR). Our final destination today is legendary Banff. Overnight stay in Banff.

Day 06: Rest day in Banff

Here you have the opportunity to stroll along Banff Avenue and hunt for souvenirs or ride out to Lake Louise and Moraine Lake. In the evening you can find us in one of the numerous pubs. Overnight stay in Banff.

Day 07: Banff - Jasper (approx. 290 km)

One of the world's dream roads is waiting for us today: the Icefields Parkway, the heart of the Canadian Rocky Mountains. On this route, in addition to other national parks, is the world famous Athabasca Glacier, a glacier 6 kilometers long. Direct access here is only possible with special snow buses. The route takes us over more spectacular peaks over three thousand meters with numerous glaciers, bright blue lakes and wild rivers will make this day unforgettable. Overnight stay in Jasper.

Day 08: Jasper - Clearwater (approx. 350 km)

Over the Yellowhead Pass we ride to Mount Robson - with its 3.954 meters height the king of the Canadian Rocky Mountains. An unforgettable boat trip at the Blue River into the wild mountain and animal world awaits us. Here we have taken the most beautiful wildlife pictures in recent years. Overnight stay in the Clearwater area.

Day 09: Clearwater - Whistler (approx. 400 km)

We leave the Rockies and ride through varied landscapes and follow the rivers into the Westcoast Mountains. We spend the evening in the Olympic town of Whistler with its numerous restaurants and stores.

Day 10: Whistler - Vancouver (approx. 150 km)

In the early afternoon we reach Vancouver again. The first thing to do is to return the motorcycle and then transfer to the hotel. The evening in the metropolis is at your free disposal. Overnight stay in Vancouver.

Day 11: Vancouver - Frankfurt

Your Canadian dream trip ends here. You have the option of an extension in Vancouver, or a rental car and an extension for example in Seattle and back again. If you have no further plans, then fly back home today.

Day 12: Arrival in Germany
End of this dream tour.

Breakfast, if the hotels offer it (We would like to point out that breakfast as an included service is not a matter of course in American or Canadian hotels. There are many different varieties of breakfast. Some hotels offer coffee and some kind of roll, toast or a piece of cake, plus maybe some jam. If you are lucky there is some fruit or dairy products. Other hotels only offer coffee with a coffee maker in the room and nothing else. Some hotels, on the other hand, offer a varied breakfast. Many hotels decide in the middle of the season to launch this service, to abolish it or even to change it. In general, everywhere there is a possibility to buy breakfast for little money. We write the services as: partly breakfast, because we can not guarantee which hotel all of a sudden decides for it or against it).

Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a MOTORCYCLE CLASS GUARANTEE. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

Class mix in booking is not allowed.

OPTIONAL MOTORCYCLE MODEL GUARANTEE: If the desired model is available, our partner will confirm the booking for the desired model, however, he reserves the right to offer an alternative model from the same category, if your desired model is not available. This can happen, for example, if the previous renter returned the motorcycle with damage. If choosing a specific model is very important to you, then this model will be guaranteed to you for an extra charge of 105 EUR per rental.

In the unlikely event that this service does not work out on the spot, you will get a motorcycle from the same category and the fee will immediately be returned to you.

An honest word among bikers:

With the next lines we would like to prepare you in the best way for the adventure of your life. You are either about to book one of the most beautiful types of travel, or you have already done so. The biggest difference between our type of holiday and a general package tour is that you are actively involved. Riding a motorcycle is one of the best things in life. At least for us bikers. The focus of the trip is motorcycling through unique landscapes. We have designed the programs in such a way that both riding fun and experience are present in sufficient quantity. Team spirit and adaptation in the group are absolutely necessary just as you need to bring a certain basic fitness and experience so that we can reach the destination together happy and healthy. If you have any doubts about your health, fitness or experience levels, please contact us beforehand. We want to achieve the best holiday experience for you too. The daily stages are on average 250 - 400 kilometers long. That sounds a lot, but it can't be compared to the same route in Europe, considering that there are often 80 kilometers without passing through a town and a whole day without traffic lights during the program. There are also hardly any traffic jams. We are rarely in the saddle for more than five hours throughout the day. We reach our daily destination between 4 - 6 p.m., depending on the season. Depending on the weather and daily temperatures, it can happen that we have to leave a little earlier or reach our daily destination later. However, if we want to experience a picture book sunset with full intention, it will be a little later.

Insurance:

We generally recommend that you take out travel cancellation insurance.

Upon request:

1/2 double rooms can be booked upon request. If a 1/2 double room is already available, we will confirm it to you in your booking. If the 1/2 double room is not available at that very moment, then we will confirm a single room first. As soon as we have a booking for the second half of the room, we will immediately credit you the single room surcharge.

The entry requirements for Canada:

Please note that we are not an official agency of Canada and cannot make any binding or official statements on the subject of entry. We have researched to the best of our knowledge and provide you with all important information.

-

NEW: Electronic Travel Authorization (eTA) and ArriveCAN app

Similar to USA, Canada has also established a new entry requirement known as eTA. This applies to visa-free entry to Canada by air for holders of foreign passports. Exceptions are US citizens and travelers with a valid visa. Entry requirements for other modes of entry (sea, land), have not changed to date.

Prior to entry, all Canada entrants must register via the ArriveCAN app. Use of the app is mandatory.
