### Dreamlike serpentines, curvy rides all over the island.

Our all inclusive packages with tour guide, rental motorcycle and hotel will convince you. Whether as an individual or in groups: we will introduce you to the island of Crete from completely new angles!

#### Tour itinerary:

##### 1st day - Arrival

After arriving on Crete, (we pick you up at the airport) we only move once our beautiful hotel rooms. After the joint dinner, the tour meeting will be held for the next day. Your tour guide will give you important and interesting tips for our day tours.

##### 2nd day - Tour 1

Well rested, after breakfast we go to the high plateau of Lassithi. A great exit on serpentine roads and curves without end. At a small mountain church, we take a little break to enjoy the fantastic view. The Lassithi Plateau is a must-visit for every Cretan traveler. On the way back, we ride over Mohos, with its typical Greek marketplace, where we can enjoy very good Cretan cuisine in an original Greek tavern.

##### 3rd day - Tour 2

After a restful night and a hearty breakfast, we leave at 10.00 clock at the hotel. Via Heraklion we ride into the high mountains via Anogia to the Nida Plateau. With good visibility, we take the driveway to an observatory and shoot incredible holiday pictures. Continue on a fantastic off-road tour to Zaros on the lake, where you can not get fish fresher. Delicious!

After breakfast we leave for the south of Crete. Across the island we ride along the Messaraebene and through the gorge of Tripti (tip) to a beautiful beach. From here we ride to Masala, one of the most spiritual places of Crete. Matala a small fishing village that has not lost its unmistakable charm to this day. Here we have the opportunity to visit the world famous caves of Matala. In these caves, the ancient Cretans buried their dead. In the mid-sixties, Hippies recognized these caves and lived there until the 1970s. Even today you can see many old hippies who visit this place again and again. You will love Matala. Great beach, please do not forget swimming clothes.

##### 5th day - Free disposal

Tour free day. Anyone who wants can explore the island by motorbike on their own. Gladly gives the tour guide tips for a trip!

##### 6th day - Tour 4

Today we ride first to Agios Nikolaos. In the beautiful port of Agios we take our first break. Continue on the northern coastal road. At the narrowest point of Crete we cross the island to the south side. In Koutsouras we have the opportunity to refresh ourselves with a small snack. From here we continue in the direction of Sitia and start the return journey on the North Coast Road.

##### 7th day - Tour 5

Today we go to the south again. We ride via Lassithi to the south side of Crete, via a super-serpentine descent to the

small village of Tsoutsouros. From here, continue on the coastal road to Keratokambos. Little tourism, long sandy beaches and very good food. Here we can get fit on the beach or in the sea for the trip home the next day.

8th day - departure

At some point, even the most beautiful holiday is over.

After breakfast, we start our journey home.

Important! – Do not forget cameras or video camera,  
It is worth it!
