### Not in the mood for a gray winter? Then come with us to sunny Andalusia!

On the exclusive adventure tour Andalusia you will satisfy your longing for sun as well as the desire for beautiful curves and high mountains! You ride with us on a rental motorcycle over the most beautiful routes of southern Spain and can simply enjoy.

The guided 6-day trip is also suitable for beginners and passengers (onroad).

The well organized team has a selection of rental motorcycles for you, available are the latest touring enduros BMW R 1250 GS - also lowered, DUCATI, or YAMAHA. Our main hotel Paradores de Nerja will spoil you with a room with balcony and in the morning a hearty and opulent breakfast.

On each of the four tour days you can choose between a winding on-road ride, gladly also with your pillion, or a light off-road ride. In small groups of maximum six riders your two German tour guides will lead you from the coastal town of Nerja over the varied hinterland of Malaga with its nature parks up to 1,000 meters high into the mountains of Andalusia.

You are tingling with anticipation of this beautiful motorcycle day. You hear the sound of the sea. The sun is shining. You sit down on your travel enduro and start the engine. You feel the warm wind, the Spanish sun, the vibration of your machine. This is pure freedom!

From the gigantic views in the mountains on curves without end back to the sea - on the exclusive adventure tour Andalusia a new adventure awaits you every day.

You will never forget this vacation! That's a promise!
