Breakfast, if the hotels offer it (A frank word on the subject of breakfast in the USA: We would like to point out that breakfast as an included service in American or Canadian hotels is not a matter of course. There are all different varieties of breakfast. Some hotels offer coffee and some kind of roll, toast or a piece of cake, plus maybe some jam. If one is lucky, there is some fruit or dairy products. Some accommodations only offer coffee with a coffee maker in the room. Other hotels offer a varied breakfast. Many hotels decide in the middle of the season to launch this service, to abolish it or even to change it. There is generally everywhere a possibility to buy breakfast for little money. We write in the services "Partial breakfast", because we can not guarantee which hotel all of a sudden decides for it or against it.)

Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a MOTORCYCLE CLASS GUARANTEE. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

OPTIONAL MOTORCYCLE MODEL GUARANTEE: If the desired model is available, our partner will confirm the booking for the desired model, however, he reserves the right to offer an alternative model from the same category, if your desired model is not available. This can happen, for example, if the previous renter returned the motorcycle with damage. If choosing a specific model is very important to you, then this model will be guaranteed to you for an extra charge of 125 EUR per rental.
