

Tyrolean Alps "Quickie (M-ID: 2531)

<https://www.motourismo.com/en/listings/2531-tyrolean-alps-quickie>

from €799.00

Dates and duration (days)

On request

5 days

We recommend our tour to the west of Tyrol to motorcyclists in search of "fast" cornering pleasure. Within "striking distance" of our base hotel there are four famous passes with an altitude of over 2000 metres alone!

These include the second highest (paved) road pass in the Alps, the Stilfserjoch, the 2509 m high Timmelsjoch, the Silvretta high alpine road (2035 m), which delights with 32 hairpin bends on a stretch of only 15 km, and the 2017 m high Kühtai saddle with its scenically very varied and beautiful route.

Tour itinerary:

Day 1: Arrival at the base hotel.

Departure at 7.00 a.m. from the Geismühle West service area (A57), joint journey via motorway and main road to our base hotel. As we do not use any motorways in Austria, no vignette is required.

Individual arrival possible. If you wish we can help you with the planning of the arrival route.

2nd day: Livigno and Stilfserjoch

We drive over the Piller Höhe and the Inntal to Zernez and from there over the Ofenpass and the road tunnel to Livigno. Here we can shop and refuel duty-free, and you can also get a good cappuccino here! Afterwards we go over the Passo di Foscagno towards Bormio and the "highlight" of this tour, the Stilfserjoch. On the summit you have the opportunity to enjoy the famous sausage with cabbage and garnishes in a Ciabatta bread. The descent is a real challenge, 49 hairpin bends are waiting for you. Over the Reschenpass we drive back to our base hotel.

Day 3: Kühtai, Jaufenpass and Timmelsjoch

Today's tour takes us first over the Kühtai saddle and the old Brenner road to Italy. Here we drive over the Jaufenpass to St. Leonard and further over the Timmelsjoch back to Austria. Through the Ötztal valley we return to the base hotel.

Day 4: Hahntennjoch and Silvretta High Alpine Road

Today we first drive over the Hahntennjoch into the Lechtal. We follow this to Warth, from where we cross the

Hochtannberg Pass into the Bregenzerwald. We continue over the Furkajoch and the Silvretta High Alpine Road to the Bielerhöhe. The return journey takes us through the famous ski resorts of Galtür and Ischgl to Landeck and on via the Pillerhöhe to our base hotel.

Day 5: Journey home

After breakfast we start our journey home together or individually.

We reserve the right to change the programme, route or hotel.

More details

Total distance: approx. 2300 km from Krefeld

Daily stages: 200 - 300 km (on site)

Road condition: Curves without end, many of them hairpin bends, mostly with good asphalt.

Riding skills: The motorcycle should be safely controlled on winding roads, especially in hairpin bends.

Climate: In the valleys it is already pleasantly warm, on the heights sometimes still quite cool.

Minimum participants: 8 drivers

Special features: Guided tour by a tour guide who knows the area.
