Tour itinerary:

Day 01: Germany - Las Vegas

Arrival in Las Vegas and a transfer to the hotel (on your own). Overnight stay in Las Vegas.

Day 02: Las Vegas - Hoover Dam - Laughlin

In the morning you pick up your motorcycle at the rental station and the experience can immediately begin. First, you visit the famous Hoover Dam. Afterward, you cruise in the southern direction towards your destination Laughlin, at the border of Arizona. Tour length approx. 250 kilometers.

Day 03: Laughlin - Route 66 - Oatman - Seligman - Williams

This day is completely dedicated to the old Route 66, which you will cruise to Williams. On the way, you will pass through Oatman, Kingman, Peach Springs, Huckberry, and Seligman. In the afternoon you will reach the destination of today's stage, Williams, the last place on the historic Route 66. Here the "Western Feeling" awaits you in the evening with great bars, live music, and restaurants. Tour length approx. 300 kilometers.

Day 04: Williams - Grand Canyon N.P. - Monument Valley

Today the longest stage of the tour is ahead of you and you will be rewarded with plenty of nature on your way. Please

leave first thing in the morning so that you have more time to enjoy the scenery along the way. In about 1 hour you will reach the Grand Canyon NP which will invite you to numerous stops. Afterward, you will ride through the fascinating Navajo area. Your destination today is the landmark of the Southwest, Monument Valley. Overnight stay in the Monument Valley/Kayenta area. Tour length approx. 390 kilometers.

Day 05: Monument Valley - Page

In the morning we recommend a jeep excursion into Monument Valley. You will ride about 55 miles in the direction, from which you arrived yesterday, and reach Page at Lake Powell in the early afternoon. In the afternoon you will also have the optional opportunity to take a helicopter ride landing on the famous Tower Butte for a breathtaking 360-degree panoramic view of Glen Canyon, Lake Powell, the Kaiparowitz Plateau, and the Grand Staircase and the Vermillion Cliffs. This will be another experience like no other. Overnight stay in Page. Tour length approx. 200 kilometers.

Day 06: Page - Kanab - Zion N.P. - Springdale/Hurricane

The following activities are "obligatory" in Page: an approx. 1.5-hour jeep tour to the unique Antelope Canyon, which invites you to take many breathtaking photos, followed by a short hike to the famous Horseshoe Bend. Afterward, you make your way over Kanab, through the beautiful Zion National Park, to Springdale or Hurricane where you will spend the night. Tour length approx. 260 km.

Day 07: Springdale/Hurricane - Las Vegas

Today you ride on Interstate 15 via Overton along the largest man-made reservoir in the USA, Lake Mead. On the

way, you make a detour to the Valley of Fire State Park which is known for movies, and commercials and also because of its Anasazi indigenous people petroglyphs. You can return your motorcycle in the early afternoon. Two nights in Las Vegas. Tour length approx. 290-340 kilometers.

Day 08: Las Vegas - Free day

This day is at your free disposal. Viva Las Vegas!

Breakfast, if offered by the hotels (A frank word on the subject of breakfast in the USA: We would like to point out that breakfast as an included service in American or Canadian hotels is not a matter of course. There are all different varieties of breakfast. Some hotels offer coffee and some kind of roll, toast or a piece of cake, plus maybe some jam. If one is lucky, there is some fruit or dairy products. Some accommodations only offer coffee with a coffee maker in the room. Other hotels offer a varied breakfast. Many hotels decide in the middle of the season to launch this service, to abolish it or even to change it. There is generally everywhere a possibility to buy breakfast for little money. We write in the services "Partial breakfast", because we can not guarantee which hotel all of a sudden decides for it or against it.)

Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a MOTORCYCLE CLASS GUARANTEE. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

In the unlikely event that this service does not work out on the spot, you will get a motorcycle from the same category and the fee will immediately be returned to you.

The Polaris® Slingshot® will still be categorized as a motorcycle. Your additional super - tour companion: the specially developed Travel - App (In the travel documents you will find both a road atlas and a travel guide of the region. In addition, you will receive our specially developed app for your tour. It works on and offline and uses the GPS from your mobile phone to make sure that you are on the right biking route. It also has some tips and information about the place where you are. Works with all major iOs and Android phones. For copyright reasons, the password of the tour on the app will be deactivated by the manufacturer about 2 weeks after the end of the trip, but you will get enough additional material from us so you can keep your memories.)

-
