**Day 03: Las Vegas - Pahrump - Death Valley N.P. (290 km)**

On the morning of the first day, we will organize your transfer to the rental station where we will pick up our motorcycles. After the paperwork has been completed, the motorcycles have been instructed and a short test ride has taken place, the adventure can finally begin. We leave Las Vegas in the western direction. Shortly after Pahrump we cross the border to California and ride right into the famous Death Valley. Our first stop is Dantes Peak (altitude 1669m). Here, at Dantes View, we enjoy a breathtaking view over the entire length to the north and south of Death Valley National Park. Our next stop is Zabriskie Point and then the park's Visitor Center. From here we still visit Badwater Basin, which is the lowest point in the Western Hemisphere at 85.5 meters below sea level. Temperatures here are usually chilly. We spend the night in Furnace Creek, in the middle of the National Park. Tour length approx. 290 kilometers.

Day 04: Death Valley N.P. - Barstow (Route 66), (380 km)

This morning we continue our desert ride towards the historic Route 66. Before that, we have some opportunities to get to know Death Valley from its other side. Overnight in Barstow, California on the historic Route 66. Tour length approx. 310 - 380 km.

Day 05: Barstow - Route 66 - Laughlin (295 km)

Route 66 here we come! The route takes us past stops like Ludlow, Amboy with its crater and the famous Route 66 stops Bagdad and Rob Roys Cafe. Here you will take the most beautiful pictures on Route 66. The day's destination is Laughlin, located directly on the Colorado River, which we will reach in the early afternoon. Overnight stay in Laughlin at the border of Nevada and Arizona. Tour length approx. 295 kilometers.

Day 06: Laughlin - Oatman - Kingman - Hoover Dam - Las Vegas (270 km)

Our Route 66 experience is now heading for the next highlights. Our first stop is in Oatman where we are transported back in time. We will stay here for a little while and then ride to Cool Springs and Kingman where we will visit a great museum about Route 66. On our way back to Las Vegas we will pass the Hoover Dam, which we will also visit briefly. In the early afternoon we will reach Las Vegas where we will return our bikes. Tour length approx. 270 kilometers.

Day 07: Free day in Las Vegas

This day is at your free disposal in Las Vegas. Here, all possibilities are open for you: Shopping trip in one of the Premium Outlets, visit of a show, a sightseeing flight or to "shoot" a few cartridges at MGV. We always have very nice tips ready for you. In the evening we offer you the ultimate tour finale: a stretch Hummer ride along Las Vegas Boulevard followed by a visit to the famous Fremont Street, where it all began for Las Vegas on May 15, 1905. Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a MOTORCYCLE CLASS GUARANTEE. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

Class mix in booking is not allowed.

OPTIONAL MOTORCYCLE MODEL GUARANTEE: If the desired model is available, our partner will confirm the booking for the desired model, however, he reserves the right to offer an alternative model from the same category, if your desired model is not available. This can happen, for example, if the previous renter returned the motorcycle with damage. If choosing a specific model is very important to you, then this model will be guaranteed to you for an extra charge of 125 EUR per rental.

In the unlikely event that this service does not work out on the spot, you will get a motorcycle from the same category and the fee will immediately be returned to you.

An honest word among bikers:

With the next lines we would like to prepare you in the best way for the adventure of your life. You are either about to book one of the most beautiful types of travel, or you have already done so. The biggest difference between our type of holiday and a general package tour is that you are actively involved. Riding a motorcycle is one of the best things in life. At least for us bikers. The focus of the trip is motorcycling through unique landscapes. We have designed the programs in such a way that both riding fun and experience are present in sufficient quantity. Team spirit and adaptation in the group are absolutely necessary just as you need to bring a certain basic fitness and experience so that we can reach the destination together happy and healthy. If you have any doubts about your health, fitness or experience levels, please contact us beforehand. We want to achieve the best holiday experience for you too. The daily stages are on average 250 - 400 kilometers long. That sounds a lot, but it can't be compared to the same route in Europe, considering that there are often 80 kilometers without passing through a town and a whole day without traffic lights during the program. There are also hardly any traffic jams. We are rarely in the saddle for more than five hours throughout the day. We reach our daily destination between 4 - 6 p.m., depending on the season. Depending on the weather and daily temperatures, it can happen that we have to leave a little earlier or reach our daily destination later. However, if we want to experience a picture book sunset with full intention, it will be a little later.

Insurance:

We generally recommend that you take out travel cancellation insurance. For tours in non-European countries, we also recommend that you take out a foreign health insurance and a baggage insurance.

-

Upon request:

1/2 double rooms can be booked upon request. If a 1/2 double room is already available, we will confirm it to you in your booking. If the 1/2 double room is not available at that very moment, then we will confirm a single room first. As soon as we have a booking for the second half of the room, we will immediately credit you the single room surcharge.
