For a day on the historic Route 66 on the saddle of an American legend: the Harley Davidson !

If, for example, you want to make a stopover in Las Vegas as part of your rental car tour and explore the area on the saddle of the Legendary Harley-Davidson® in addition to the various attractions you have in mind, this short tour is just right for you.

Your advantages:

You don't need local knowledge, don't wander around the various roads looking for the destination.
We know exactly when, where, and for how long to stop.

We have put together a super-inclusive package for you.
This tour can also be booked with a trike. More information upon request.

Individual arrival to Las Vegas. Please contact us at least 24 hours in advance so we can discuss the details of your transfer. On the evening before the first day, we offer an optional meeting to get to know each other.

DAY 01: Las Vegas - Amboy, CA - Route 66 - Laughlin (236 mi/380 km)

Your tour guide will meet you at the local rental station at 09:00 and assist you with the formalities. After the off-road warm-up ride, it's time to put on the side stand and head out for some fun. The first destination of our trip is the Mojave Desert. Here we ride through many fields full of the typical trees of the region, the Joshua Trees. Shortly before Amboy, we come into contact with Route 66 for the first time. For the rest of today's leg, we will ride on the historic Route 66 until we reach our destination of the day, Laughlin. Here, every year on the last weekend in April, one of the most famous motorcycle rallies in the USA takes place, the "River-Run" along the Colorado River. Thousands of Harley Davidson® fans have a lot of fun here.

DAY 02: Laughlin - Oatman/Kingman/Route 66 (167 mi/278 km)

After breakfast, we cross the Colorado River and arrive in Bull Head City, Arizona, which is just across the river from Laughlin. Our next destination is the legendary Route 66 and the western town of Oatman. Here we stay a little longer because Oatman has some stories to tell. We walk along the old Mainstreet and see relics from the different eras this place has seen. Now comes the best part of the trip, as we now ride on the old Route 66. The narrow and winding road takes us over Sitgreaves Pass and the historic gas station in Cool Springs to Kingman, the largest Route 66 town on our tour today. Here we visit the Route 66 Museum and spend our lunch break in style at one of Route 66's famous diners. We then ride back to Las Vegas via Highway 93 and return the motorcycles to the rental station by 4:00 pm. We will then arrange transportation back to your hotel. If you have booked another day tour with us, we will drive to your hotel.

End of the tour.

Motorcycles on this tour:

Please note: Not all types are available at all motorcycle stations. As we are not the direct service provider for the motorcycles, we cannot guarantee for the "first motorcycle wish".

So that everything is clear in advance: Our partner requires the specification of a substitute desired machine mandatory at the time of booking and gives us a **MOTORCYCLE CLASS GUARANTEE**. This means that we will confirm your initial request (if available on the day of booking) and as an alternative a guarantee within the booked / requested category.

Class mix in booking is not allowed.

OPTIONAL MOTORCYCLE MODEL GUARANTEE: If the desired model is available, our partner will confirm the booking for the desired model, however, he reserves the right to offer an alternative model from the same category, if your desired model is not available. This can happen, for example, if the previous renter returned the motorcycle with damage. If choosing a specific model is very important to you, then this model will be guaranteed to you for an extra charge of 125 EUR per rental.

In the unlikely event that this service does not work out on the spot, you will get a motorcycle from the same category and the fee will immediately be refunded to you.
