10/11/2024 - 10/20/2024 10 days

### 10-day motorcycle tour from Klaipeda / to Trelleborg (incl. ferry from Kiel / to Lübeck-Travemünde).

It is a compact motorcycle tour with great impressions. You cruise along the roads of Lithuania, Latvia, Estonia, and Sweden and can fully take in the landscapes to the left and right of the road. Stops on this tour include the capital cities of Riga, Tallinn, and Stockholm, as well as pretty seaside resorts such as Palanga, Pärnu, and Haapsalu. From Stockholm, you follow the Swedish coast to the picturesque town of Ystad.

Tour character:

A (short) circumnavigation of the Baltic Sea is on the wish list of many motorcyclists. This tour is perfect for those with a tight time budget. Nevertheless, the most important stops are not left by the wayside. We ride exclusively on well-maintained roads so that even the longer stages are easy to master. On some days, we offer alternative routes that you can choose according to your taste.

Highlights:

- compact Baltic Sea tour for those in a hurry
- incl. all ferry passages
- varied routing
- Day trip to the Curonian Spit
- Capital city flair: Riga, Tallinn and Stockholm
- bookable: flying visit to Saaremaa

---

Tour itinerary:

Day 1: Arrival

Individual arrival in Kiel, embarkation, and departure (approx. 21.00 hrs) towards the Baltic States. Overnight stay on board.

-

Day 2: Klaipeda

Arrival in Klaipeda (approx. 18.00 hrs) and opportunity to discover old Memel on a walking tour. The Simon-Dach fountain with the Ännchen von Tharau on the theater square and the small half-timbered houses are well worth a visit. Overnight stay in Klaipeda.

-

Day 3: Curonian Spit (approx. 100 km)

Ride to the Curonian Spit - along the spit road, through sparse forests, over gently undulating dune tops, and always with a view of the lagoon to Nida (Nidden). Most of the peninsula is protected as a national park and is a UNESCO World Heritage Site. In addition to the unique natural landscape, the former fishing villages of Juodkrante (Schwarzort) and Nida (Nidden) are well worth a visit. Nida captivates visitors with its pretty fishermen's cottages, charming location on the lagoon, and relaxed vacation atmosphere. The cafés and restaurants along the promenade invite you to take a break. Perhaps take a walk to the Parnidden dune before heading back to Klaipeda. If you like, you can alternatively (or additionally) take a tour through the Memelland. Overnight stay in Klaipeda.

-

Day 4: Klaipeda - Palanga - Kuldiga - Riga (approx. 350 km)

You travel via Palanga and Kuldiga to Riga. The route takes you partly along the beautiful Lithuanian-Latvian coast. You reach the Latvian capital Riga: a contrasting program if you have just come from the spit! Riga is the largest city in the Baltic States and impresses with its magnificent buildings and modern character. Overnight stay in Riga.

-

Day 5: Riga - Gauja National Park - Pärnu (approx. 250 km)

Ride to the Gauja National Park, which is dominated by the

Gauja river meandering through the landscape. Turaida Castle (Treyden) near Sigulda could be a first stop. A beautiful panorama in the Gauja National Park is guaranteed in any case! Ride through the Latvian province to Pärnu. The former Hanseatic town of Pernau invites you to make a flying visit with its beautiful wooden villas, extensive parks, and wonderful beach. The seaside resort is considered the "summer capital" of Estonia. Overnight stay in Pärnu.

-

Day 6: Pärnu - Haapsalu - Tallinn (approx. 220 or 260 km)  
The next stop is Haapsalu. The first therapeutic mud baths were opened in Haapsalu as early as 1825, and since then the town has also been valued as a health resort by the Russian tsars. Art Nouveau villas, a pretty railroad station, and the historic Kursaal from 1898 - all contribute to Haapsalu's nostalgic atmosphere. You reach Tallinn via a quiet side road, past Padise with its monastery ruins, which are well worth seeing. The cityscape is characterized by winding cobblestone streets and pointed gabled merchants' houses - as befits an old Hanseatic city. The city wall and the massive defense towers give tribute to Tallinn's defensive strength in earlier times. Overnight stay in Tallinn.

-

Day 7: Tallinn - Stockholm  
You should not miss a walk along Tallinn's old city wall and up Cathedral Hill. The view from Cathedral Hill of the lower town and Tallinn harbor is simply beautiful. And the medieval Old Town with its historic-looking restaurants and cafés invites you to stop for a bite to eat afterwards. Later embarkation for the crossing to Stockholm (departure approx. 18.00 hrs). Overnight stay on board.

-

Day 8: Stockholm - Oskarshamn (approx. 340 km)  
In the morning (approx. 10.00 a.m.) arrival in Stockholm and opportunity for a flying visit. You can visit the Royal Palace or take a tour of the old town of Gamla Stan. Your route then takes you along the beautiful Baltic Sea coast, with Swedish red cottages and farms nestling in the landscape. Your destination for the day is Oskarshamn. Take a stroll through the Fnyket district with its picturesque wooden houses by the harbor. Overnight stay in Oskarshamn.

-

Day 9: Oskarshamn - Kalmar - Ystad (approx. 360 km)  
You continue along the coast to Kalmar with its numerous old town streets. Via Karlshamn you continue to Kristianstad with its well-preserved old town center and the 17th century Holy Trinity Church, which is well worth seeing. The day's destination is Ystad, where crime thriller fans can follow in the footsteps of Mankell's detective Wallander. Everyone else can stroll around the pretty town center of the small town. Overnight stay in Ystad.

-

Day 10: Departure  
In the morning ride to the port of Trelleborg (approx. 50 km), embarkation and departure (depending on the day of departure, departure at approx. 9.30/10.00 am or 1.00 pm). Arrival in Lübeck-Travemünde (alternatively Rostock) in the evening (approx. 7.30 p.m. or 9.00 p.m.).

-

You can add additional packages or sightseeing tours to this trip. You can find more details in the price section of the trip.

-

Additional package Saaremaa Island (2 nights):

The island of Saaremaa (Ösel) awaits its visitors with idyllic scenery: stone walls made of erratic blocks, thatched-roof houses, and trestle windmills characterize its appearance. The roads with little traffic are a great area for motorcycle tours.

The extension package can be booked from Pärnu and to Tallinn.

Sightseeings (additionally bookable - everything else is payable on-site)

Local taxes, if applicable

## More details

Accommodation:

Standard category: Generally 3-star hotels, mostly in central locations

Comfort category: 4-star hotels or upscale room category in 3-star hotels

As a general rule, comfortable hotels cannot be guaranteed in every location. While there is usually a wide range of hotels of all categories in the major cities and tourist centers, we have to switch to lower-classified hotels in smaller towns or rural areas. We then try to compensate for this by offering a higher room category, for example. If you would like an upgrade to a higher-class hotel, this is usually possible in the larger cities. Please feel free to contact us!

Start dates: On request

Important info:

**Arrival:** This tour is ridden on your own motorcycle. Please note that this tour includes the ferry from Kiel to Lübeck-Travemünde and motorcycle transportation on the ferry. Alternatively, you can take the ferry from Trelleborg to Rostock. In this case, please select the return journey option under the optional services in the price section.

**Meals on the ferries:** On the ferries, meals are offered in the on-board restaurants - payable locally. For some ferry connections, we offer meal packages that can be booked in advance. These can be found under the optional services in the price section of the trip and can only be booked directly in connection with the trip; it is not possible to add them at a later date.

**Route description and GPS data:** The route description and GPS data correspond to the itinerary as described in the tour description. Individual changes and optional programs are not taken into account. The start and end points of our GPS data are usually the city/town centers of the day's destination, as the hotels we usually book may vary. You will not receive route descriptions or GPS data for customized trips.

**Parking spaces:** We generally use hotels that have parking lots available. We reserve a parking space for you when you book (where possible, no obligation). Parking fees may apply, which you must pay on site. The amount of the parking fees can vary greatly depending on the location and hotel.

**Curonian Spit Ferry fees:** The ferry fees for the Curonian Spit are not included in the tour price and must be paid locally. The car ferry to the Curonian Spit departs south of Klaipeda city center (New Ferry Terminal) and departs approximately every 20 to 30 minutes. The ferry for pedestrians and cyclists departs near the center of Klaipeda (Old Ferry Terminal). The crossing is payable on the spot in cash or by credit card. Please note that the ticket is valid for the outward and return journey. You can find more information on times and costs at [www.keltas.lt/en/home/](http://www.keltas.lt/en/home/)

**Curonian Spit National Park fees:** Access to the northern spit and thus to the Lithuanian National Park is only possible for a fee (payable on site). When arriving from Klaipeda, an entrance fee is charged at a checkpoint near Alksnyne. Cyclists are exempt from the charge. You can find more information on nature conservation fees at <http://neringa.eparkingas.lt/tickets/pricelist.html>

Scandinavian tolls: Tolls may be charged on some stages, e.g. in Sweden and Norway. Billing is usually automatic, your vehicle is registered when you ride through the toll station and you receive an invoice sent to your home (or to the owner's address). In some cases, however, there are also stations with cash payment.

Credit card recommendation for Scandinavia: Electronic payment methods are more common in Scandinavia than here in Germany. Many petrol stations in Scandinavia are self-service stations, for example, which can usually only be operated with a credit card and PIN; EC cards are not always accepted. You should therefore take a credit card and the corresponding PIN with you on your trip. There are also some hotels, ferry or toll stations that may only accept electronic payment methods.

Accessibility: Please note that the trip is not suitable or only partially suitable for people with physical disabilities.

Health regulations: Please contact your family doctor for vaccination advice for the destination. Please read the travel advice of the Federal Foreign Office at [www.auswaertiges-amt.de](http://www.auswaertiges-amt.de)
