Untouched nature, enchanting landscapes, great curves and even more beautiful gravel roads... If you then also make a stopover at the Adriatic Sea, are served delicious food and meet hospitable people, a dream trip for travel Enduro friends is born. Starting from Graz (A) we travel via Slovenia and Croatia to Bosnia & Herzegovina. There the Enduro fun begins, which takes us to Montenegro, Albania and via Montenegro back to Bosnia. The end of the trip is then back near Graz in Austria.

Tour characteristics

This tour is suitable for all those riders who have already gained some experience on narrow, winding gravel roads and dirt tracks and who can handle their touring enduro well off-road. Travel enduros of all sizes are welcome on this tour. The use of at least road and off-road suitable all-round tyres is a prerequisite, especially in wet conditions clearly off-road tyres (TKC 80, K 60 Scout) are of enormous advantage. This trip is not suitable for street bikes and enduros with pure asphalt tyres! Taking a passenger on the motorcycle would be possible, but is not recommended.
