White sandy bays, blue sea, but also cliffs with steep cliffs, this is the coast of Sardinia.

The wild and romantic pearl of the Mediterranean Sea

Inland, the rugged mountainous regions rise up to 1,834 metres into the sky. The variety of colours and the beauty of the sea with the contrast of the rough inland make the special charm of this island.

The well-developed road with its winding asphalt tracks has everything that makes a motorcyclist's heart beat faster. It is not for nothing that Sardinia is considered the number 1 biker's paradise in Europe. Our starting point is in Arbatax on the southeast coast of the island and offers the ideal location for tours in the Gennargentugebirge with its perfect motorcycle routes. We have already reserved a 3 star hotel with pool, which has all the facilities you need for a relaxing holiday.
