Florida XXL: Follow us on a classic motorcycle tour through the United States of America. Florida the "Sunshine State", Fort Lauderdale, Palm Beach, St. Augustine, Orlando, Fort Myers, the Everglades, the Keys with Key West, and Miami are the highlights here.

Join us on a classic motorcycle tour through the United States of America. Florida the "Sunshine State", Fort Lauderdale, Palm Beach, St. Augustine, Orlando, Fort Myers, the Everglades, the Keys with Key West, and Miami are the highlights here. A relaxing beach and shopping vacation and possible tour extensions, such as a cruise at the end round off this tour perfectly. We ride this guided tour with one of our connoisseurs as a travel companion and on the bikes of one of the most iconic motorcycle brands of all times - "Harley-Davidson®".

We have prepared a well-planned tour for you that includes a good number of miles of motorcycle riding each day, but also takes in the sights along the way. The motorcycles for our guided tours come from reputable motorcycle rental companies. Thus, we have an excellent selection of as-new models with few miles, all of which are well prepared for you. As a further advantage, the whole tour is accompanied by a van. Here, the necessary luggage is stored during the tour and, depending on space availability, accompanying persons can also ride in the van - for you, this means pure motorcycling!

walking distance. Overnight stay in the Fort Lauderdale/Deerfield Beach area.

EVENING TIP: In the evening we recommend a 2-hour sunset cruise on a large sailing catamaran (snacks, beer, wine, and champagne included). The tour takes place on the calm seaside, so even the not-so-sea-firm will have

some fun. Afterward, we recommend a pub crawl on Duval Street to visit the bar "Sloopy Joe's" already visited by Hemingway, Hogs Breath, or Captain Tony's Saloon.

An honest word among bikers:

Depending on the tour, We ride between 120 and 540 km per day, in a charming and beautiful landscape. The approximate daily number of kilometers can be found in the respective daily program. This means that on some days you may have to leave early and arrive late. Motorcycle riding in a unique landscape is absolutely in the foreground so a certain team spirit and some adaptation to the group are of the highest priority. If you let yourself go for it, you will surely have the adventure of a lifetime and loads of fun.

We recommend to do this here Official ESTA Application Website, U.S. Customs and Border Protection in German language, because there are many rip-off sites on the net.
