To experience Ireland and Northern Ireland in a good holiday week is a demanding programme - good if you know where it is beautiful and which stages are feasible: On these self-drive tours you don't have to worry about the route. We have put together a colourful mixture of small and large roads, mountains, cliffs, beaches, castles, pretty towns and picturesque places, so that from culture to nature there is something for everyone.

For all those who want to decide for themselves how they want to spend the night and still follow a proven and carefully worked out route. Just as with the Organised Self-drive Tour, the route is pre-programmed on the navigation system of your rental motorcycle and you will receive a detailed tour description. The hotels in the respective destinations can be booked by yourself before the tour

Some highlights of the route:

- The historic city of Kilkenny with its beautiful old town and castle
- The lively city of Cork
- The breathtaking Killarney National Park and the famous Ring of Kerry
- The historic Limerick on the Shannon
- The Troubled Galway
- The solitary beauty of Donegal
- The divided city of Derry/Londonderry with its complete medieval city wall
- The Causeway Coastal Route and the beautiful coast of North-Antrim
