We start in the tropical north, and ride through the Kakadu National Park, along the Oodnadatta Track and the Stuart Highway. Deep in the outback, Ayers Rock (Uluru) and the Olgas await, towards the end winding mountain roads and the world-famous coastal roads "Great Ocean Road", before the tour ends in the metropolis of Melbourne. Thus, on this tour you will experience the whole fascination of the spectacular continent of Australia!

On this motorcycle tour the whole spectacular scenic diversity of the Australian continent awaits you! From the tropical north around Darwin and the unique nature in the Kakadu National Park - part of the UNESCO Natural Heritage - dusty, lonely tracks like the Stuart Highway and the Oodnadatta Track lead deep into the interior. The Flinders Range make the outback experience perfect, before the winding mountain roads in the deep green Grampians National Park take us back to another world.
