### On this trip you will experience first hand how incredibly diverse South Africa is.

The tour starts in the north of South Africa and ends in the south. In between are 15 varied days of breathtaking motorcycle routes, scenic diversity, unique wildlife and amazing cultures that will inspire you.

With the ride along the "Panorama Route", including the Blyde River Canyon and God's Window, the tour starts with one of the most famous motorcycle routes. During the jeep safari through the Kruger National Park you will surely see elephants, lions, rhinos and numerous other fascinating wild animals.

We then head south through Swaziland and the Indian Ocean coast. The dizzying curves of the Drakensberg Mountains, the spectacular Sani Pass and the Kingdom of Lesotho follow in days. You will visit the Valley of Desolation in the Great Karoo region.

Afterwards, a great stop at the seaside in Port Elizabeth awaits you before you are allowed to enjoy the Garden Route - of course not without having visited the Addo Elephant National Park first! Up to Cape Town, the Outeniqua Mountains, a visit to an ostrich farm in Oudtshoorn, Route 62, the Cape of Good Hope, the wine region and the fantastic Chapmans Peak Drive are on the list before the journey ends in Cape Town.
