Namibia impresses with a seemingly endless expanse! The many sandy roads are easy to ride and seem to have no end.

In combination with the deep green southern part of South Africa and the insane coastal stretches around Cape Town, the result is an incredibly varied tour - you will have the impression to experience a world tour!

This motorcycle tour leads you in 12 riding days through such contrasting landscapes and cultures that you will have the impression at the end to have done a world tour!

The tour starts in Windhoek, Namibia's capital. Shortly after, a first highlight is in store in the Erindi Game Reserve, where we experience Africa's fascinating wildlife in the wild on a safari. The red, packed gravel and sand roads so typical of Namibia will take us on to Swakopmund and the Namib National Park. The following daily stages are no less impressive with stops at Spitzkoppe Mountain and visits to the UNESCO World Heritage Sites of Sossusvlei and Deadvlei. We meet the coast of the South Atlantic again at Aus, which is also home to the unique wild horses. The dry, vast landscape of Namibia is in stark contrast to that which awaits us shortly thereafter in South Africa. After passing through the Cederberg Mountains, the deep green wine region around Stellenbosch awaits us, the stop at the Cape of Good Hope and the ride along the dream road Chapmans Peak Drive along the coast to Cape Town are like "the icing on the cake" at the end of this motorcycle tour through Namibia and South Africa.

Highlights: Wild horses in Aus, Erindi N.P., safari drives, Spitzkuppe, Sossusvlei, Deadvlei & Sesriem, Cape Town Peninsula Route, Table Mountain, Cape of Good Hope.
