15 days

These 15 days from Johannesburg to Cape Town will let you experience how different South Africa really is.

You go on safari in the Kruger National Park, get to know the unique culture of Swaziland and Lesotho, experience dizzying mountain regions such as the Drakensberg or Swartberg Mountains and the dream coasts along the Garden Route before the vibrant life in Cape Town guarantees a fitting end to your trip. Common to all regions are the wonderful motorbike routes, super nice accommodation, a fascinating wildlife and a travelling hospitality! Let South Africa inspire you!

With the ride along the "Panorama Route", incl. Blyde River Canyon and God's Window, the tour starts right away with one of the most famous motorcycle routes. During the jeep safari through the Kruger National Park you will surely see elephants, lions, rhinos and other fascinating wildlife.

You will then head south through Swaziland and the Indian Ocean coast. The dizzying curves of the Drakensberg Mountains, the spectacular Sani Pass and the Kingdom of Lesotho follow and you visit the Valley of Desolation in the Great Karoo region.

After that, a great seaside stop awaits you in Port Elizabeth before you get to enjoy the Garden Route - not without visiting Addo Elephant National Park first, of course! Before the journey ends in Cape Town, the Outeniqua Mountains, a visit to an ostrich farm in Oudtshoorn, Route 62, the Cape of Good Hope, the wine region and the fantastic Chapman's Peak Drive are on the list.

This tour is initially designed to last 15 days. However, your individual motorcycle tour will be designed and calculated exactly for your possible travel duration! This means that tours of other lengths and route variations are possible - please contact us for an exact quote!
