Whether pulsating metropolises, world-famous sights such as the Great Ocean Road or the Sydney Opera, winding mountain passes, deep green rainforests or dreamlike coastal roads along lonely beaches - this route offers everything!

This varied individual tour starts in Melbourne. First you will get an impression of the vibrant metropolis, before you experience the first motorcycling highlight the next day: The famous Great Ocean Road! It is undoubtedly one of the most impressive motorcycle routes in the world! Afterwards you will ride into the mountains of the Grampians National Park, before the next spectacular motorcycle route is on the agenda: The Great Alpine Road, which takes you into the Snowy Mountains. The day is marked by deep green forests and a multitude of small and large lakes, curve after curve. The next spectacular stage destination is Sydney! You will have time to visit the famous Sydney Opera, take a harbour cruise, stroll through The Rocks district or climb the Harbour Bridge! Contrast this with the winding routes of the next few days, through the Blue Mountains and into the famous Hunter Valley wine region, before the Waterfall Way will fascinate you on the onward journey. In Byron Bay on the Gold Coast, the golden beaches of the Pacific await. Finally, you will ride through the deep green rainforest of the Great Dividing Range or along the coast to Brisbane, in Queensland, the end point of your tour.
