### Fascinatingly varied landscape and pulsating metropolises. The contrasts could hardly be greater!

From bustling Melbourne, you'll head to tranquil Tasmania, where you'll cruise along lonely coastal roads and enjoy deserted dream beaches. There's more hustle and bustle on the Great Ocean Road. After the mighty mountain passes of the Grampians, the Great Alpine Way and the sensational curves of the Snowy Mountains you reach Sydney ... needless to say that there are still some highlights waiting for you here!

Your individual motorcycle tour starts in Melbourne. First you get an impression of the pulsating metropolis, before you cross over to Tasmania by night ferry in the afternoon of the second day. The next few days you will cruise on winding, lonely roads along the famous Bay of Fires, Wineglass Bay and through the Freycinet National Park to explore the most beautiful corners of the "devilish island".

The night ferry brings you back to Melbourne, where another highlight is already waiting: The famous Great Ocean Road! It is undoubtedly one of the most impressive motorcycle routes in the world! Afterwards, the mountains of the Grampians National Park await you before the next spectacular motorcycle route, the Great Alpine Road, takes you to the Snowy Mountains. The day is marked by deep green forests and a multitude of small and large lakes, curve after curve. You will reach the spectacular destination of your trip, the city of Sydney, after a ride along the Grand Pacific Drive. A visit to the famous Sydney Opera, a harbour tour, a stroll through 'The Rocks' district or climbing the Harbour Bridge put the icing on the cake of this varied motorcycle tour through Australia!

The tour can also be ridden from Sydney to Melbourne, changed in its course and supplemented by days!
