Dates and duration (days)

21 days

In three weeks you will travel from Christchurch - Auckland (or vice versa) and you will feel like you have travelled the whole world.

The Garden City Christchurch, the turquoise blue lakes Tekapo and Pukaki, the penguins in Dunedin, the Southern Scenic Highway to Fiordland, the famous Milford Sound, the adventure world Queenstown followed by the spectacular ride along the West Coast and the golden beaches in the Abel Tasman... After so many highlights only on the South Island, a break comes just in time!

But the North Island is not stingy with incredible motorcycle routes and contrasting landscapes either, as you ride around the East Cape, past the Maori stronghold of Rotorua and along the Coromandel coast to the far north! The Bay of Islands is best discovered on a boat tour before the trip ends in Auckland.

The tour can be ridden from south to north or vice versa and can of course be changed in its course or supplemented by days!

The following itinerary is only a suggestion! The exact route for your trip will be tailor-made according to your ideas!

Itinerary (subject to change):
