On this two-week trip from Christchurch to Auckland (or vice versa) you will experience both islands of New Zealand.

Be amazed by the incredibly diverse landscapes and vegetation you will pass through every single day. Enjoy dream beaches, spectacular coastal roads, unique cultures, lively cities and super nice accommodations. The diversity of New Zealand, the hospitality of the "Kiwis", a perfect motorcycle and inspiring motorcycle routes are the ingredients for your dream holiday!

This tour can start in the vibrant metropolis of Auckland. Already on the first stage you will experience a completely different world, when you curve along the coast of the Coromandel Peninsula. The interior around Rotorua and Taupo impresses with bubbling geysers, the volcanic region of Tongariro and the unique "Forgotten World Highway". From the capital Wellington you take the ferry to the South Island. There, exotic beaches in the Abel Tasman National Park, the spectacular West Coast with the pancake rocks and a stop in the glacier region await you. And above all, bend after bend, so that the ride resembles a waltz dance. An adrenaline rush awaits in Queenstown before you experience the majestic Milford Sound. The journey ends in Christchurch, not without having enjoyed the magnificent view of the Mt. Cook massif from the deep blue Lake Tekapo.

The tour can also be ridden from Christchurch to Auckland and of course changed in its course or supplemented by days!
