### Australia from East to West - you have to experience this dream trip!

At the beginning, the dream city of Sydney is already waiting with some top acts, but the upcoming days are in no way inferior. Whether gorgeous mountain passes, wonderful coastal roads, various wine regions, the Great Ocean Road, a touch of outback in the Flinders Ranges, followed by South Sea feeling along the coast to Perth ... this tour will elicit every day many Ah's and Oh's from you.

On this east-west crossing of the vast continent of Australia lie numerous landscapes and sights commonly classified as "quintessential Australia". Starting with the cosmopolitan city of Sydney, the mighty mountains in the Snowy Mountains and Grampians National Park and of course the stunning coastal Great Ocean Road, a "must-do" motorcycle route. The endless expanses of the Flinders Ranges, shimmering red in the sun, give a taste of the outback and contrast magnificently with the paradisiacal beaches, gorgeous bays and tropical vegetation of the Western Australia region. This is definitely one of those "once in a lifetime" trips that is hard to put into words - you have to experience it!

The tour can also be ridden from Perth to Sydney. It is initially designed for 24 days, but can be modified according to your own course or supplemented by days!
