Discover a whole new universe with us on our 13-day Morocco motorcycle tour. Conquer challenging terrain, explore ancient cities and experience the thrill of buggies and camels in Merzouga. Quality accommodations and diverse culinary experiences await you.

Hold your breath as you embark on an epic journey that bridges continents and immerses you in a world dramatically different from our own. Morocco awaits just a short 30-minute ferry ride from Europe, yet in its unique appeal, an entire universe unto itself.

Begin your adventure in Malaga, head to the ferry to Ceuta, and make your way to the enchanting blue city of Chefchaouen. Navigate the labyrinthine streets of Meknes and the ancient city of Ait Benhaddou, and push through the golden sands to reach the remarkable Merzouga. Here, leave your motorcycle for a moment and enjoy the raw thrill of riding buggies and camels in an unforgettable desert adventure.

Conquer the high Atlas Mountains, uncover the secrets of Ait-Ben-Haddou - the thousand-year-old city that was the setting for Game of Thrones, and lose yourself amid the endless dunes of the Sahara. Ride the winding path through the Dades Gorges, feeling every turn and every climb as if you were in a grandiose dance with nature itself.

Morocco's roads are challenging, demanding your experience and vehicle control at every turn. The weather can vary from 5 to 35 degrees and road conditions vary greatly. This adventure is not for the faint of heart; it is designed for those who seek the adrenaline rush that comes when you conquer a country that feels like a completely different world.

The hotels on the tour are high quality and superbly located, offering international to local cuisine!

The tour with guide is our offer for motorcyclists who do not like to travel alone and are looking forward to meet

other people with the same hobby. The group has between 6 and 12 participants, we always start in the morning at 10 am and reach the hotel at 6 pm at the latest. The daily riding time is usually between 5 and 6 hours and throughout the day we take many small and 3 larger breaks, for coffee, food or refueling. On each tour there are very curvy and challenging routes that give you the opportunity to improve your riding skills without getting into stress. Because we pay attention when riding in the group very on safety distances and want that each participant has his riding fun and swings in the flow through the curve paradise.
