Discover a whole new universe on our 13-day Morocco motorcycle tour. Conquer challenging terrain, explore ancient cities and experience the thrill of buggies and camels in Merzouga. Quality accommodations and diverse culinary experiences await you.

Get ready for a grandiose journey that connects continents and immerses you in a world very different from ours. Morocco, just a short 30-minute ferry ride from Europe, is a universe in itself with its unique fascination.

Feel the tingling excitement as you cross the border, the atmosphere changing around you, offering you a taste of the diverse and colorful journey ahead. Now you're on another continent where monkeys and camels are not uncommon and the landscapes vary between grandly majestic and magically surreal.

Conquer the high Atlas Mountains, uncover the secrets of Ait-Ben-Haddou - the thousand-year-old city that served as the backdrop for Game of Thrones, and lose yourself in the endless dunes of the Sahara. Follow the winding path through the Dades Gorges, feeling every turn and every climb as if you were dancing in a glorious dance with nature itself.

Morocco's roads are challenging and require your experience and vehicle control at every turn. Weather can vary from 5 to 35 degrees and road conditions can change greatly. This adventure is not for the faint of heart.

The tour without guide is our offer for experienced individual riders and groups who prefer to follow their own rhythm and still enjoy the service of a perfect organization. Because we take care of the hotel reservations, transportation and flight and transfers. In this way you can fully enjoy your vacation!

As always, our hotels are all hotels that we trust and have stayed in many times. They are all comfortable, cozy and in fantastic locations.
