We will spend the night alternately in tents or in so-called ger camps. These are traditional yurt camps with a simple restaurant and sanitary facilities. The travel luggage list should therefore not be missing camping equipment such as a sleeping bag, sleeping mat, flashlight, etc.

Protective equipment for motorcycling is to be brought by each participant. Helmet and goggles, chest protector, enduro pants and jacket, knee pads, enduro boots, and scarf are recommended.

This tour is an outdoor event, which means that depending on weather conditions, we reserve the right to make tour and program changes. However, the goal is always to be able to offer an unforgettable trip to our guests.
