Each tour is escorted by 2 escort vehicles, in which luggage, spare parts, food, etc. are stowed. The Mongolian escort team consists of a German speaking guide, mechanic and 2 drivers. We spend the night alternately in tents or in so-called ger-camps. These are traditional yurt camps in which there is a simple restaurant and sanitary facilities. On the luggage list you should therefore not miss camping equipment such as a sleeping bag, sleeping mat, torch, etc.

The protective equipment for motorcycling must be brought by each participant himself. Recommended are: Helmet and goggles, chest armour, enduro trousers and jacket, knee pads, enduro boots, scarf.

The tour is an open-air event, i.e. depending on weather conditions we reserve the right to change the tour and the program. However, the aim is always to offer our guests an unforgettable journey.
