from €449.00

Dates and duration (days)

The Saarlanders like to talk about food. The dishes are hearty, mostly refinedly prepared and the neighbouring country France has clearly left its culinary mark here.

Look forward to a fine light cuisine, preferably made from the best regional products with finesse and freshly prepared for you. Our hotel is happy to surprise you during dinner with creations of the good old traditional recipes of the Saarland.

Experience the dream of borderless Europe on this tour. The "green" national borders between Luxembourg, Belgium and Germany merge imperceptibly. Their borders are invisible and again and again we move between charming low mountain ranges with their imposing rock formations.

Culinary meets down-to-earth

In Saarland, we can expect unspoiled landscapes with their low mountain ranges and the flair of a state in the border triangle of Germany, France and Luxembourg. As small as the Saarland is in terms of area, it is as diverse in its landscape structure. We will lead you along undiscovered roads along valuable orchard meadows, extensive beech forests and the floodplain landscape traversed by the Blies. A trip to the Saarland is an encounter with an eventful history, unique landscape and cuisine. The region scores with its French influence, which is unmistakable and will always accompany us on our tours.

Luxembourg - surprisingly different

The valley of the Our forms the border between Germany and Luxembourg and on the Luxembourg side we follow this beautiful river until Vianden. On small, winding roads we will lead you through the wild and romantic valley of the Sure and the fairytale rock world of the Müllerthal. Again and again an interplay between endless forests and impressive gorges with their bizarre rock formations awaits us. It is not for nothing that this region is affectionately called Luxembourg's Little Switzerland and on our tour through this unique dream area we "experience" unspoiled

nature with breathtaking views.

Romance and passion

Without doubt, the lovely Moselle region is one of the most beautiful and popular holiday areas in the Federal Republic of Germany. The people of Moselle are known for their special cordiality as hosts. Characteristic of the fascinating landscape is the unmistakable wine and forest landscape that will accompany us on the tour. Experience an unmistakable Moselle romanticism and be enchanted by the special flair that emanates from the Moselle. On small and undiscovered roads we will experience the natural beauty of the region and a cultural diversity with numerous sensory pleasures.
