5-Days of Enduro Riding on the challenging Trails of the Xross Challenge

Itinerary:

**Day 1: Welcome to Serbia!**

After your arrival in Serbia and on the beautiful Mount Tara, we will welcome you with a typical lunch or dinner, depending on your time of arrival. While you're eating, resting and relaxing from your drive or flight, you've got the chance to get to know your fellow riders as well as your tour guide and discuss the upcoming days. Afterwards, you're free to explore the area and spend a relaxed evening with the other riders.

**Days 2 - 4: Explore the challenging trails of the Xross Challenge**

After breakfast we put on our safety gear, get on our bikes and let the fun begin! In accordance with your interests and your riding skills, our experienced guides will show you the best enduro trails of Mount Tara, home of the Xross Challenge, that have challenged many of the big guys before. Even if it's raining, there are some areas that still await you with perfect grip and great riding conditions, making this part of the Dinaric Alps another great one for every enduro rider. After you've had the pleasure of riding some of the exciting trails on your enduro, we will enjoy a delicious lunch right in the mountains, enabling us not to waste more riding time than needed, before heading back on our enduros and into the woods. After three days, you will definitely know why some of the best extreme enduro athletes, who rode with our team already, are full of positive impressions and memories of the area!

**Day 5: See you soon!**

Your day starts with a rich domestic breakfast, after which it is time to say goodbye to Serbia and to your fellow riders. We will help you to load your bike onto your trailer, or drive you to the airport from where you can safely travel back home. See you again soon!
