Massive rocks, steep hills, lots of roots and tight trails - that's what hard enduro in Serbia is like!

8-Day Hard Enduro Adventure in the heart of Serbia

Itinerary:

Day 1: Welcome to Belgrade!

After your arrival in Belgrade, the capital city of Serbia and one the most interesting towns of Europe, our guides will welcome you with a tasty dinner. While you enjoy your meal, you can get to know each other, discuss the upcoming days and make some plans for the night - after all, Belgrade is well-known for its hospitality, its good restaurants and its crazy nightlife!

Day 2: Mountain exploration

After breakfast, it's time to explore the first mountain of our tour, which is situated about one hour from our hotel. To get there, we will help each other to load up their bikes onto their trailers and then drive to the mountain together, where we will go for a first exciting ride. At noon, we will enjoy a delicious lunch together while taking a short break from riding and then jump back on our enduros. In the evening, after a full day of riding, we will drive back to Belgrade where you can enjoy a tasty dinner and afterwards dive into the vivid nightlife again.

Day 3: On our way to Kragujevac

In the morning, we enjoy our breakfast before driving to Kragujevac, the 4th biggest town of Serbia. Kragujevac is surrounded by a number of beautiful mountains with countless challenging hard enduro trails that we will ride all day. In the evening, we will be exhausted but happy while driving back to Belgrade, where you can let the day end however you want to.

Day 4: Rest day

Today, it is time to rest. After three nights in Belgrade, we will also switch location today by driving to the Tara

Mountain, one of the most beautiful mountains of the Balkan region and home to the tough Xross Challenge. During our three hour drive, we will take some breaks to enjoy lunch together and explore some of the most beautiful parts of the Tara national park. In the evening, we will check-in to our hotel and enjoy a rich and delicious dinner.

Days 5 - 7: Hard Enduro in the Tara Mountain After our rest day, today it is time to get back on our enduros. Your guides, part of the organization team of the challenging Xross Challenge, know exactly where to find the best trails along with the most unique landscapes. Soon, you will realize why some of the best extreme enduro riders of the world come to the Tara Mountain year after year to challenge themselves on their enduros. During the day, we will enjoy our daily lunches together and in the evening, we will have enough time to share some of our best memories while feasting on our delicious dinners.

Day 8: See you again soon!

After breakfast, it is time to go back home. You will be tired but your mind will be full of great memories.
