This is your pure adventure. Seize it!

You can expect sumptuous food, authentic accommodations, and fine tailored thrills all included.

Basic Itinerary:

Day 1

We leave Salt Lake City and head through the Utah Rockies to the red mesas of Moab arriving at Under Canvas Moab where we will stay for the duration of the trip.

Day 2

Today is all about adventure riding through the red sands of Moab. Expect a full day of mixed surfaces and breathtaking views.

Day 3

After two packed days of riding today we get off the bikes to get some no-motorized adventure. As an optional tour, we will go Canyoning into rock caverns, hike through twisting valleys, and have a sunset tour taking in the natural beauty of Moab (not included, extra pricing).

Day 4

It's time to get back on the bikes and ride. On our last day in Moab we go out with a bang by riding a section of the famed Kokopelli trail and Onion Creek Trail. We'll ride through rivers and along the spines of mountains.

Day 5

Time to say goodbye to Moab and head back through the mountains to Salt Lake City. It was an epic trip and ends with a final amazing ride.
